

Have you, unwittingly, through ‘Secret Society Oath-taking and Ritualism,’ given the devil control, not only of your own life, but that of your wife and family?

Great-grandfathers, grandfathers or fathers, who were, or are, directly involved with *any* Oath-bound Secret Society will *automatically* have brought ‘a curse’ upon themselves, their wives, and their children to the 3rd and 4th generations. This happens as a result of ‘Secret Society Oath-taking and Ritualism.’

The curse runs very, very, deep and has far-reaching effects !!!

If you are the Wife, the Son, the Daughter, grandchild or great-grandchild of a man who is or has been Oath-bound to any Secret Society – sit down and take a close look at your Family. Are there afflictions of family problems, family divisions, broken marriages, continual sickness, obsessions, addictions etc? Is there a history of tragedy, suicides, misfortunes or failure? Is there ‘hereditary’ illness such as heart disease, cancer, or mental disorders etc.? All this can be indication of ‘an out-working curse’ which can only be broken through the Almighty, All-powerful, name of The Lord Jesus Christ. (See Chapter 6.)

It could be said - nonsense - this is life in general - everyone experiences serious problems at some time in their lives, whether they have ‘Secret Society’ connection or not. This is true, but being oath-bound to a ‘Secret Society’ or a ‘Society with Secrets’ leaves families more vulnerable. Please take heed to this solemn but sincere warning.

‘Ye shall know the truth and the truth shall make you free.’ John 8v32.

‘If the Son therefore shall make you free, ye shall be free indeed.’ John 8v36.

THE CURSE OF SECRET SOCIETIES

What does
God’s Word
say on these
subjects?

*‘This then is the message which we have heard of Him, and declare unto you, that God is light, and in Him is no darkness at all.’
1John 1 v 5*

*‘.....have no fellowship with the unfruitful works of darkness, but rather reprove them.’
Ephesians 5 v 11*

*‘Wherefore come out from among them, and be ye separate, saith The Lord...’
2 Corinthians 6 v 17-18.*

The Bible tells us in Deuteronomy 28 that if we keep God's Commandments we will be blessed. However it goes on to say.....

It shall come to pass if thou wilt NOT hearken unto the voice of The Lord thy God, to observe to do all His Commandments....that all these curses shall come upon thee and overtake thee (cursed shall be your Family, your Home, your land, your crops, your animals, etc.) The Lord, shall send upon thee cursing...vexation... rebuke...pestilences...consumption...diseases....madness...blindness...etc

Read all of Deuteronomy 28 - The Chapter entitled Blessings & Cursings.

The world is over-flowing with Oath-Bound Organisations – all of which bring curses upon Members and their Families. Listed below are just a few of the Hundreds which exist worldwide - every one of them an abomination unto God
- He truly detests them ALL.

*'Come out from among them and be ye separate,' saith The Lord.
2 Corinthians 6v17*

Freemasonry;	Hibernianism;
Orangeism;	Knights of Malta;
Royal Arch Purple;	Knights of Columbus;
Royal Black Perceptory;	The R.C. Jesuit Priests;
Knight Templars;	All Paramilitaries;
Eastern Star;	Order of Buffaloes;
Order of Rainbow Girls;	Sorority Fraternities;
Order of the Golden Dawn;	Royal Order of Jesters;
Order of Red Men;	Knights of Phythias;
Skull & Bones;	Knights of the Round Table;
The Bilderbergers;	Loyal Order of Moose;
The Illuminati;	Tall Cedars of Lebanon;
The Klu Klux Klan;	Woodsmen of the World;
The Occult;	Ben. Protective Order of Elks;
The Magic Circle;	Ind. Order of Foresters;
The Druids;	Ind. Order of Oddfellows;
Royal Order of Jesters	Ind. Order of Rechabites;

Also to be avoided - some Children's Organisations e.g. the Scouts/ Guides/Brownies. These groups are childhood/youth versions of the adult Masonic Order. They have their own Oaths, Law, Salute, Handshake etc. The Story of the Brownies is woven into mythology - which is occultic in nature.

INTRODUCTION

The Bible says...Above all things, my brethren, swear not, neither by Heaven, neither by the earth, neither by any other Oath, but let your yea be yea, and your nay be nay, lest ye fall into condemnation. James 5 v 12.

...thou shalt not forswear thyself, but shalt perform unto 'The Lord' thine oaths... ..Let your communication be yea, yea; nay, nay; for whatsoever is more than these cometh of evil. Matthew 5 v 33 & 37.

This Book is written not only as 'a warning against all Secret Society Oath-taking and Ritualism' but ultimately with the desire that The Name of Jesus Christ may be glorified and His Kingdom extended by those brought out of darkness into His marvellous light.

It is written with genuine heartfelt compassion for all men and women who are Members of Secret Societies/Societies with Secrets. These people **all** have one thing in common. They all swear 'Oaths of Allegiance' to their Society - they **all** go through some form of ritual, but they have no idea regarding the yoke of bondage they are bringing upon themselves and their Families.

Paganistic rituals and 'blood-curdling Oaths of Allegiance,' have devastating consequences and bring terrible curses - not only upon Members personally - but upon their husbands/wives and children. **These are true facts.** As The Bible warns:

Thou art snared with the words of thy mouth....

Proverbs 6 v 2.

Death and life are in the power of the tongue....

Proverbs 18 v 21.

**Participation in Secret Society Oath-taking and Ritualism
literally means**

A DEATH CURSE HANGS OVER THE WHOLE FAMILY.

The Good News is – these curses can be broken by turning in genuine repentance to The Lord Jesus Christ and accepting His free offer of Salvation. Resign from Membership and renounce all involvement in 'oath-taking and ritualism.'

Chapter 1: Sincere Warning

Even though 'some' of these Organisations may appear to be God-honouring - **none of them are**. When it comes to Oaths of Allegiance and Rituals - they all likewise have their roots with the devil in the caverns of hell . **This is truth - absolute truth.**

We are convinced that if men (and women) who are Secret Society Members fully understood the consequences - and the extent of the curses - they bring upon themselves and their Families at Initiation, they most definitely would have nothing whatsoever to do with any of these devilish Organisations.

My Husband and I both come from Families who have had Secret Society Membership for generations, namely, The Masonic Order, so please be assured - we know 'first hand' the death, destruction and devastation which has been caused as a result of Oaths & Rituals.

Although reference is made specifically to The Masonic Order, it should not be assumed that this Organisation has been 'singled out' as being worse than any of the other Secret Societies/Societies with Secrets. NO - it is simply because of our Family connections to The Masonic Order and our own personal experience.

It is not our intention to condemn or insult **any** man who is a Member of The Masonic Order **or any of these other Organisations**, but rather, **with God's help**, our aim is to warn and to prove, beyond the shadow of a doubt, that Secret Society Oath-taking has extremely devastating consequences on Families.

If you are a Member of a Society with Secrets then it is our Prayer that you will take heed to this most sincere warning !

For those who choose to ignore the warning, and remain Members, you will realise with the passage of time, that just as The Bible says, everything belonging to you is cursed - your home, your Family, your farm, your business – **everything**. **Why?** Because as a result of Oath-taking and Ritualism at Initiation you have bowed the knee at a false altar, before a false god, and accepted a false way of salvation. In doing so you have violated God's 1st Commandment. This immediately

invokes God's wrath and indignation. From that moment on you walk out from under God's Blessing into Cursing.

*God spake all these words saying, I am The Lord thy God, which have brought thee out of the land of Egypt, out of the house of bondage. **Thou shalt have no other gods before Me**..... For I, The Lord Thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the 3rd and 4th generations of them that hate me, and showing mercy unto thousands of them that love me and keep My Commandments. Exodus 20 v 1-6.*

Every culture has their own 'Societies with Secrets.'

Being born and brought up in Northern Ireland, where the two main cultures are Protestant and Roman Catholic, we are very aware that there are many Oath-bound Organisations connected with both cultures. On the Roman Catholic side you have – **Hibernianism** – with all its 'offshoots.' As well as that you have thousands of men and women who are oath-bound to The Roman Catholic Paramilitaries eg. The I.R.A. I.N.L.A. etc. On the Protestant side you have – **Orangeism** – with all its 'off shoots.' Plus again, thousands of men and women oath-bound to The Protestant Paramilitaries eg. The U.D.A., U.V.F. etc.

So here you have, in this Country alone, hundreds of thousands of men and women who are 'Oath-bound' to some 'secret society' or other. Every culture has its own 'Oath-bound Organisations,' but without exception, reservation or apology - we state quite categorically, they are all likewise, 'of the devil.' That is the reason there is so much trouble, not only in Ireland, both North and South – but all over the world. God is not happy when people swear 'Oaths of Allegiance,' and are more dedicated to the various Organisations than they are to Him and to Salvation through His Son, The Lord Jesus Christ.

Learn not the way of the heathen.

In some Societies, eg. The Occult and Paramilitaries, plus hundreds of others in the same category, the devil appears in his true role as prince of darkness and evil. However, through numerous other Societies he masquerades as The Bible warns, in his role as 'an angel of light,' deceiving and blinding multitudes to the truth.

Some Societies were formed with the very best of intentions, but by way of their oaths and rituals, the devil has infiltrated, consequently The Lord's Name is brought into disrepute. Observing many known Secret Society Members, you would assume they were walking in blessing - most **are** prospering and climbing the heights. Nevertheless these people are under God's curse and the time will come when that will be very evident.

Many Secret Society members make 'Blood Covenants' by signing their name in their own blood. They pledge allegiance to be bound to their Organisation for the rest of their lives. This is very serious and very dangerous for Families and for future generations – this practice should be avoided at all costs.

The Bible tells us in Jeremiah 10 v 2. 'Learn not the way of the heathen.' yet in some Oath-bound Organisations they practice heathen rituals, some to a greater extent than others. Some Societies have more Oaths than others. So accordingly some men/women are oath-bound to a greater extent than others - but to whatever extent - they are ultimately under a curse from the moment of Initiation.

**None of this is Biblical - it is a total abomination unto
The Lord - He hates it !!**

Family Life falling apart – Dad's take heed.

For many the 'Secret Society' is their 'god.' Many a Wife and Family are left on their own, while Dad spends night after night, at The Lodge Meeting or socialising with the Members of 'his' Organisation. (In some cases this can apply to women as well as the men.) This in itself is evidence that Secret Societies are not of God. God is 'all for' Marriage and Family Life. These Organisations distract Fathers from their God-given parental responsibilities.

A true godly Father/Mother will give his/her allegiance, firstly to The Lord Jesus Christ and secondly to his/her Family. Bedtime for children should be a time when Mum and Dad sit down together with them, to pray and read The Bible, in order that they may grow up in the knowledge of The Lord. The Family who prays together stays together.

*Train up a child in the way he should go: and when he is old he
will not depart from it. Proverbs 22 v 6.*

Very often you will find that even those men who call themselves 'Christians' will give priority to their Society/Lodge Meeting rather than to the Prayer Meeting in their Church. This is the reason why so many Ministers and Pastors see so little fruit for their labour. Many preach The Gospel faithfully, week in, week out, but because the vast majority of males in the congregation are 'Oath-bound,' to some Secret Society, The Spirit of the Lord is hindered. Consequently, there are very few genuine conversions to Jesus Christ.

Sad to say, some Ministers are also Members of Societies with secrets. This is absolutely deplorable. So-called 'men of the cloth' bound to secrecy – how revolting – caught up in a practice which The Lord himself hates. These men are blind leaders of the blind and unless they repent, they will all end up in the ditch together as The Bible warns. Matthew 15 v14.

'Absentee Fathers' is in epidemic proportions in our Society. Very often this is the fruits of involvement in various Organisations or over-indulgence in Sporting activities. It's sad to think that some fathers prefer the company of other men from their Brotherhood, Clubs or Sports, rather than with their own wives and children. Is it any wonder there are so many broken marriages and 'out of control' children?

Society is falling apart simply because Family Life is falling apart. What we need to see is, Jesus coming into Families and the devil chased out – he has had his fling for far too long!

Seek ye first The Kingdom of God and His righteousness.

If men and women spent more time in their own homes, looking after their own children, bringing them up in the knowledge of the Lord, there would be less adultery, less frustrated children and ultimately far less crime on the streets. Children grow up so quickly, those precious years should be cherished and guarded by every parent.

We know many men who **do have** very deep regrets for their involvement in Organisations, sports clubs etc. and not spending enough time with their children during those very special growing-up years. Those years can never be recaptured, but, when there is 'a genuine turning to God,' repentant fathers can be given that opportunity to make up to their children the years they have missed.

Repentance leading to Salvation is man's greatest need today.

None of us are perfect, we must all take responsibility and consider the error of our ways. The most important thing we can ever do in life is repent of our sins and trust The Lord Jesus Christ as our Saviour. This is the **only way** to have a happy, fulfilling Family Life. It may not always be easy, but Jesus will help you through every difficulty as you pray and look to Him.

*The Bible says, Seek ye FIRST The Kingdom of God and His righteousness, and all other things shall be added unto you.
Matthew 5 v 33.*

*Jesus said, I am The Way, The Truth and The Life, NO man cometh unto The Father but by ME. John 14 v 6. Except a man be 'born again,' he cannot see the Kingdom of God.
John 3 v 3.*

*Let us hear the conclusion of the whole matter, Fear God and keep His Commandments, for this, is the whole duty of man. For GOD shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil...
Ecclesiastes 12 v 13-14.*

Yes, it is time to seek God, to read His Word, The Holy Bible, to start walking in His ways in obedience to His Commandments.

Chapter 2: The Great Deception

On the surface the Masonic Order, or as it is sometimes called 'The Club of the Respectable,' appears to be a very desirable 'Organisation' with which to be associated. It spans hundreds of different cultures, unites men of every persuasion.

Their charitable work, plus the financial assistance given to widows and children of masons, in the event of sickness or death, is to be commended, but unfortunately this is only a veneer on a very rotten package. There is a much more sinister side of which most members are not aware. It is a deceitful and blasphemous 'religion' which will damn the soul of any unrepentant member.

Many are of the opinion that there is nothing in Freemasonry which is incompatible with Christianity. This notion couldn't be further from the truth! The Rituals have their counterpart not only in pagan Egyptian Ancient Mysteries and Mormonism, but also in the Occult (satan worship).

Freemasonry - is a mind-controlling, soul-destroying practice of evil. It is a master plan of the devil, especially designed to deceive those who are looked upon as 'pillars of society.'

Members, no doubt, would be horrified at the suggestion that they're being used to advance the devil's work of deception and lies. To be told that upon Initiation into the Brotherhood, a man invites upon himself and his family 'A Curse,' is possibly adding insult to injury, nevertheless these are very true facts.

Through 'the Craft' as it is sometimes, and perhaps more appropriately called, the devil has cleverly disguised himself as an 'angel of light,' subtly deceiving highly educated, intelligent men. Even those Bishops and Clergy, who are Masonic Members, are lured into the devil's parlour, like sheep without a shepherd.

Some Members believe that this 'apparently reputable organisation' - is Christian - when in actual fact, it is as far removed from the True God and the Christian principles of the Bible, as the east is from the west.

The 'god' of all Secret Societies, is the devil. Freemasonry is particularly deceptive because there is such subtle use of Biblical names and terminology. As the Member ascends the Masonic Ladder, he will come into contact with the devil and his demons by use of different names.

These names include; Great Architect of the Universe, (G.A.O.T.U.); Jahbulon; Abaddon; Ahura Mazda; to mention but a few..

The Bible reveals the identity of Abaddon:

*'they had a king over them, which is the
angel of the bottomless pit, whose name
in the Hebrew tongue is Abaddon!'*

Revelation 9 v 11

The devil conceals his own identity until the very last degrees. This is because most men, if they knew the truth beforehand, would have nothing whatsoever to do with such a devil-inspired organisation.

If you are a Freemason, your reaction to these remarks may be extreme anger. You may even decide to stop reading right now. Should this be the case, it is our prayer that what you have read this far will burn into your heart and soul like a fire, until eventually you will read on, and with the Lord's help your eyes will be opened to the truth.

*The Bible says, 'Ye shall know the truth, and the
truth shall make you free.' John 8 v 32.*

May this day be the turning point in your life, when you decide you will no longer be deceived by the 'god' of oath-bound Organisations. Today may you turn in genuine repentance and accept the Salvation, of the one and only true God, The Lord Jesus Christ.

*The Bible says '..behold now is the accepted time; behold
now is the day of Salvation.' 2 Corinthians 6 v 2.*

Evil And Error Exposed

Thankfully, God is exposing the many devilish and deceptive practices which exist today. Not only Freemasonry, but every Oath-Bound Organisation, every false religion, every cult, in fact every false way and every evil practice is coming under the hand of God's judgement. One very good example is the scandal of Roman Catholic Priests and Paedophilia. God always has a 'payback time' when he says, so far and no more. He reveals openly, every secret evil work, every hidden secret practice.

*The Bible says:- 'For there is nothing covered, that shall not
be revealed; neither hid, that shall not be known.' Luke 12 v 2.*

Chapter 3: Testing The Spirits

The Bible tells us:- 'Beloved, believe not every spirit, but try (test) the Spirits, whether they are of GOD.' 1 John 4 v 1.

How do you test the spirit behind any Organisation? You simply lay its Rules, Regulations and Rituals alongside the truth of God's Word, The Holy Bible.

This is what we have done, and we can say without a doubt, that the Masonic 'religion' is not 'Christian' as many believe, but rather is devil-worship in one of its most subtle and highest forms. Freemasonry and all other Oath-bound teaching is the very opposite of 'true' Christianity. Everything they do is contrary to the Word of God. The 'spirit' behind Freemasonry and all Oath-bound Organisations is the spirit of Anti-christ, which we will prove if you read on.

Freemasonry - An International Organisation without Jesus

Being an International Multi-Faith Organisation, men of any religion may join, so being they have belief in a 'Supreme Being.' The universal name given to this 'Supreme Being' is - 'The Great Architect of the Universe.' (G.A.O.T.U.) However, this title represents a variety of 'godheads' eg. Buddha, Krishna, Mohammed, etc. Allegiance is given to every 'godhead' you could imagine - except Jesus Christ.

The Name of Jesus Christ, is absolutely forbidden within the Masonic Order. This is to avoid offence to men of 'other faiths', who may acknowledge as their 'mediator,' Buddha, Krishna, Mohammed, or some other 'false god.' Isn't it strange that all these 'figureheads' can be so revered but the very mention of the Name of Jesus Christ gives such offence that it has to be omitted altogether.

Yet the Bible says: 'There is one God, and one Mediator between God and men, the man Christ Jesus.' 1Timothy 2v5.

Freemasonry certainly does not represent the 'true' God of The Bible. So here is error straightaway. Men join the Masonic Order seeking 'Masonic Light' but they leave, Jesus, who is the true light of the world, outside the Lodge door.

Where the Holy Bible is used in Masonic Ceremony, if the Scripture being read includes the Name of the Lord Jesus Christ, then His Name

is deliberately omitted. The Bible warns in Revelation 22 v 18-19 how serious it is to 'add to' or 'take from' The Word of God.

The wrath of Almighty God is surely invoked when people deliberately remove or ignore 'His Only Begotten Son, Jesus.' Wouldn't you think that any 'Christian' man who is initiated into the Lodge would immediately question why the name of Jesus is forbidden? This proves just how the devil has them blinded.

This is the most serious error of all. The Name of Jesus Christ is the Name above all names. He is the Saviour of the world.

'Neither is there salvation in any other, for there is none other name, under Heaven, given among men whereby we must be saved.' Acts 4 v 12.

Jesus said, 'I am the Way, the Truth and the Life, no man cometh unto the Father, but by Me.' John 14 v 6

'I am the Light of the world; he that followeth Me shall not walk in darkness, but shall have the Light of life.' John 8 v 12.

Some Members may insist that Jesus is hallowed in their Lodge, that may be so, but in most Lodges this is not the case. Ultimately, it is important to look at the roots or foundation of the organisation to determine if it is 'of God.'

'A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit.' Matthew 7 v 18.

The Volume of Sacred Law (V.S.L.)

When taking Masonic Oaths, the candidate swears upon his chosen Volume of Sacred Law:-

If the candidate claims to be of the Christian Faith, he would choose -
The Holy Bible

If . . . Muslim Faith . . The Koran.

If . . . Hindu Faith . . . The Vedas.

If . . . Mormon Faith . The Book of Mormon. etc.

The Masonic Order acknowledges all Volumes of Sacred Law, as being equal. This again is an insult to Almighty God. No book compares to the Holy Bible, which is His infallible, inspired Word.

So if you acknowledge the Christian Faith and you are initiated into the Masonic Order with a man of 'another' faith - have you ever considered the seriousness of this? You stand side by side, you take your oaths on the Holy Bible, your counterpart swears on the Volume of Sacred Law of 'his' religion. When the Initiation Ceremony is over and you have both become members of 'The Brotherhood,' - how can you, if you are a 'true' Christian, call a man who acknowledges 'a false god' and 'a false religion' - your 'brother'?

How do you define a 'false religion?'

A 'false religion' is any religion which does not acknowledge Jesus Christ as the Only Saviour of the world and the Only Mediator between God and men.

A 'False god,' is any figurehead which is elevated to the position which rightfully belongs to Jesus Christ, eg. Buddha, Krishna, Mohammed. Sad to say, even the Virgin Mary can have misplaced emphasis!

The Bible says, 'Be ye not unequally yoked together with unbelievers for what fellowship hath righteousness with unrighteousness, and what communion hath light with darkness? And what concord hath Christ with Belial? Or what part hath he that believeth with an infidel? And what agreement hath the temple of God with idols?' 2 Corinthians 6 v 14.

'Wherefore, come out from among them, and be ye separate, saith the Lord, touch not the unclean thing; and I will receive you and will be a Father unto you, and ye shall be my sons and daughters, saith The Lord Almighty.' 2 Corinthians 6 v 17-18.

The Worshipful Master

During Initiation, the candidate is led 'blindfolded' with a noose around his neck to meet the so called 'Worshipful master.' What an abomination unto a Holy God? No 'man', has the right to be called 'Worshipful Master.' There is only One Worshipful Master and His Name is Jesus Christ. The Scriptures say:-

'Neither be ye called masters, for one is your Master, even Christ.' Matthew 23 v 10.

'No man can serve two masters, for either he will hate the one, and love the other; or else he will hold to the one and despise the other.' Matthew 6 v 24.

'This then is the message which we have heard of Him and declare unto you, that God is light, and in Him is no darkness at all. If we say that we have fellowship with Him, and walk in darkness, we lie, and do not the truth.' 1 John 1 v5-6.

The Masonic Temple

The Temple - is the central feature of Freemasonry.

The Masonic Temple is supposed to be a representation of Solomon's Temple, yet the striking difference is - Solomon's Temple was built facing West - all Masonic Temples are built facing East! What is the significance of this?

Solomon's Temple faced West to emphasise that the 'True God' was not one of the 'sun gods' to which the Egyptians worshipped and sacrificed - facing the East.

Why do Masonic Temples face East? It is because they are totally obsessed with Egypt and Eastern Mysticism. If you visit Irish Freemason's Headquarters in Dublin, called Freemason's Hall, there in the Holy Royal Arch Room you will see two large sphinxes, along with many other artefacts depicting ancient Egypt.

In Philadelphia, U.S.A., the Masonic Temple boasts the finest Egyptian decoration outside of Egypt. London's Great Eastern Hotel on Liverpool Street, has an elaborate Egyptian Temple for Lodges to rent for their Masonic events.

Symbols proving Freemasonry's obsession with Egypt are not always hidden inside the Temples, they stand on public view in the centre of London, New York, Washington, Paris etc.

God delivered His people out of Egypt, so how could He possibly bless an Organisation which is taking people back to Egypt?

Every Masonic Temple faces East towards the rising sun and all devotions are made facing the East. Not only that, but the Masonic ritual boldly proclaims:- 'As the sun rises in the East to open and govern the day, so rises the Worshipful Master in the East, to order and govern his Lodge and set the craft to work and give them proper instruction.'

In the Bible, Ezekiel 8, we read how God's people had turned from worshipping Him, and gave their allegiance to false gods. The greatest abomination of all was associated with 'The Temple.'

'Then said The Lord unto me, (Ezekiel) Hast thou seen this, O son of man? Turn thee yet again, and thou shalt see greater abominations than these (which I have already shown you).

'He brought me into the inner court of the Lord's House, and behold, at the door of the Temple of the Lord, between the porch and the altar were about five and twenty men with their backs toward the Temple of the Lord, and their faces toward the East, and they worshipped the sun in the East.'

Ezekiel 8 v 16.

How grieved the Lord must have been to see His people turn their backs on Him, facing and worshipping the sun in the East, yet, this is exactly what Freemasons are doing! Facing the East and making all their devotions towards the rising sun! What an abomination to a Holy God?

Freemason's Hall, Dublin

Chapter 4. The Bible And Oath-taking

'..above all things, my brethren swear not, neither by Heaven, neither by the earth, neither by any other oath, but let your yea be yea, and your nay be nay, lest you fall into condemnation.'
James 5 v 12.

'Thou shalt not forswear thyself, but shalt perform unto The Lord thine oaths: But I say unto you, swear not at all, ..but let your communication be Yea, yea; Nay, nay: for whatsoever is more than these cometh of evil!' Matthew 5 v 33-37.

Oath-taking and Rituals

Before he can learn the true secrets of Freemasonry, the Initiate is required at every stage or every Degree, to swear 'an Oath.' Each Degree has its own distinctive feature. It has its own particular Oath and Password. As the candidate takes his Oath, he is really bowing the knee to the pagan god, Baal, positioning his feet in the occult square, swearing the oath and kissing the Masonic emblems, Square and Compass, placed on his chosen Volume of Sacred Law.

Passwords and Handshakes

Most Secret Organisations have their own particular Passwords and Handshakes. Reams could be written on this subject, but for the sake of time and space, reference will be made to just two passwords – Jabulon and Abaddon. Abaddon as already explained, is the angel of the bottomless pit! Revelation 9 v 11

'Jabulon' is another name for the 'god' of Freemasonry and is the password for the Royal Arch Mason. Jabulon originates in the pagan worship of Baal.

Jah - is Greek for Jehovah.

Bul - is another name for Baal, an ancient Canaanite fertility god.

On - represents Osiris, the ancient god of the underworld or the dead.

The all-seeing eye of freemasonry is a representation of Osiris.

The Bible says: 'I am The Lord, that is My Name, and My glory will I not give to another....' Isaiah 42 v 8.

The following statement is a quote from a well known Masonic authority, - 'Jahbulon' is a 'pagan god,' so far removed from the true Christian God and so blasphemous as to condemn the soul of any unrepentant man. This so-called 'sacred name' must only be pronounced 'in syllables,' in the presence and with the assistance of two Royal Arch Companions. Joining hands above their heads, their feet in an occult square, the first person starts with 'Jah' and so on until all three have pronounced each syllable thus making up the whole word 'Jahbulon.' Then they state:-

We three do meet and agree,
In peace, love and unity,
The sacred word to keep,
and never to divulge the same,
Until we three, or three such
as we, do meet and agree.

If an aerial photograph could be taken, it would show clearly that the position in which these three men stand with hands joined - represents the number 666. The Anti-Christ's number.

Swear not

At each stage the secrets of the Degrees and the Oaths are hidden from the candidate until the actual ritual is taking place. Nothing is revealed in advance. Surely this, too, is very suspicious. Common-sense should tell you not to swear anything you have not thoroughly investigated beforehand.

There is evidence that many men *do* have reservations and *are* concerned about the rituals and the oaths, but because everyone else is doing the same thing they don't openly ask questions. However they have every right to be concerned as every oath a man takes, every ritual he goes through, is further damning not only his own soul but also the spiritual and physical well-being of his wife and family.

Wording of Masonic Oaths

Let us keep in mind the words of the 2nd Commandment, that the sins of the fathers are upon the children unto the 3rd and 4th Generations. (Now this doesn't mean that children answer for their Father's sins. Everyone shall give an account of himself or herself to God, but children do suffer *the consequence* of the father's sins.)

With this in mind, great caution should be applied to all we do and say. So often we are rash with our tongue and say things we shouldn't say. This is particularly true for men who swear pagan blood-oaths. The warning is given in the Bible:-

'Thou are snared with the words of thy mouth.'

Proverbs 6 v 2.

'Death and life are in the power of the tongue.'

Proverbs 18 v 21.

God commands that we swear not, yet Members of the Masonic Order swear pagan 'blood-curdling' Oaths of Secrecy and Obligation at each Degree. The Oaths outline the penalty which will befall the man who divulges any of the secrets of the Brotherhood.

This is where 'the Curse' comes in - through the Oath-taking, and the paganistic ritualism which accompanies each Degree. All oath-taking and participation in these pagan rituals have consequences - devastating consequences for the participant and his Family. **Be warned.**

The Bible tells us: 'Where the Spirit of The Lord is, there is liberty.' 2 Corinthians 3 v 17

However, the opposite is true of Freemasonry, as each Oath includes the words, '**Binding Myself.**' Quoted is the last part of the Obligation of the 1st, 2nd and 3rd Degree. Note the wording very carefully. By these words the candidate brings a curse upon every part of his body which is referred to in the oath.

FIRST DEGREE - ENTERED APPRENTICE OATH.

Binding myself, under no less penalty than that of having my throat cut across, my tongue torn out by its roots, and buried in the rough sands of the sea at low water mark, where the tide ebbs and flows twice in twenty four hours, should I ever knowingly or willingly violate this my solemn oath and obligation as an Entered Apprenticeso help me God!

Here enters the curse upon the throat, the mouth, & the tongue etc.

The out-working curse can be dyslexia, autism, cancer of the throat, mouth, lymph glands, plus a host of other things. These are only a few examples. The curse upon the tongue can include foul language and the uncontrollable use of the Lord's name as a swear word.

Some people are compulsive liars. They are cursed with a spirit of lies, craft & deceit, the tongue so often used to speak great swelling lies so convincingly that most would believe it was truth. This is serious. (Please don't take these things lightly. They are proven facts.)

SECOND DEGREE - FELLOW CRAFT OATH.

Binding myself, under no less penalty than that of having my left breast torn open, my heart plucked out and given as prey to the wild beasts of the field and the fowls of the air, so help me 'god' and keep me stedfast in all this my solemn obligation as a Fellow Craft Mason...so help me God!

Here enters the curse upon the whole chest area, for example, Heart & lung problems, asthma, plus the many other chest related complaints. Also breast cancer in female members of the family.

THIRD DEGREE - MASTER MASON OATH.

Binding myself, under no less penalty than that of having my body severed in two, my bowels burned to ashes, and those ashes scattered over the face of the earth and wafted by the four cardinal winds of heaven, that no trace or remembrance of so vile a wretch may any longer be found among men, particularly Master Masons ...so help me God!

The curse associated with this oath is so horrendous – the effects are so far-reaching - it would take a book to cover associated 'Oaths, Curses and their Consequences upon Families.' Many such Books and DVD's are available from Sozo Ministries. Contact details Page 71.

No doubt you will agree, the wording of these Oaths are horrendous. When various churches voiced their concerns, Grand Lodge introduced alternative wording, changing 'under no less penalty' to 'ever bearing

in mind the traditional penalty.’ At a later date they proposed removing these penalties from the obligations, but transferring them to another part of the ceremonies. The fact that they remain at all is criminal.

Women’s Masonry - The Eastern Star

Women’s Masonic Lodges are particularly popular in the U.S.A. and in Scotland. Eastern Star Masonry is referred to as The Adoptive Rite, as it embraces ladies related by blood or marriage to Master Masons in good standing.

The symbol of the Eastern Star is the five-pointed star. Members believe this represents the Star of Bethlehem but this is not the case. The five-pointed star, with two points upwards, represents satan.

However, we don’t suggest for a moment that Eastern Star Members knowingly worship satan. They are obviously ignorant as to what an inverted pentagram (five pointed star) really means. No doubt they are totally unaware that it is the devil who has instigated and is in control of their Organisation. Eastern Star members hang the Lodge Jewel on a ribbon around the arm and wear veils on their head.

The Second Degree, depicts Ruth with two handfuls of barley. We are reminded of what the Bible says,

‘Woe to the women that sew pillows to all armholes, and make kerchiefs upon the head. And will ye pollute Me among my people for handfuls of barley.’ Ezekiel 13 v 18-19

However, the Good News is, the last verse of that same chapter says:-

‘I will deliver My people out of your hand and ye shall know that I am the Lord.’ Ezekiel 13 v 23.

The Masonic Order is not the only Organisation where women are involved. Many have oath-bound connections to Hibernianism, Orangeism, Paramilitaries, the Occult and hundreds of other Secret Societies throughout the world. To these women, the Lord also extends His command,

‘Come out from amongst them and be ye separate, saith The Lord, and touch not the unclean thing, and I will receive you, and will be a Father unto you, and ye shall be my sons and daughters, saith The Lord Almighty.’ 2 Corinthians 6 v 18.

Chapter 5. Murder And Corruption

Don't be fooled into believing that Masonic Penal Obligations would never be carried out. The most famous Masonic Murder in September, 1826, was that of Captain William Morgan from Batavia, New York. He was abducted and drowned in the Niagara River for exposing the secrets of the Masonic Order. His body was found a year later on the shore of Lake Ontario.

Such was the scandal and outrage at that time, that forty-five thousand masons resigned from Lodges in the U.S.A. Like everything else, time erases the barbaric cruelty and seriousness of these horrific crimes and over the years the Masonic Order has been revived.

However, that doesn't mean that the nature of the Craft has changed as was proven by the death in June 1982 of the well-known Freemason Roberto Calvi. His murder proved that the Masonic Order still hold firm and fast to their penal obligations. The one thing they have overlooked is that nothing is hidden from God. He knows the full depth of all these things. He also knows exactly how many have lost their lives through ritual killings. He sees these atrocities and in His time He deals accordingly.

'Vengeance is mine I will repay, saith the Lord.'

Romans 12 v 19.

Roberto Calvi, Freemasonry & The Vatican

On 27th May 1981, the scandal involving the Masonic Order and the Vatican hit the Italian headlines. It left the Italian Government in turmoil. Up until this time the Vatican strenuously objected to Roman Catholics joining the Masonic Order. Anyone who disobeyed was excommunicated from the Church.

However, the scandal revealed the existence of a 'Shadow Government' which was made up of political, judicial and military figures, civil servants, intelligence chiefs, bankers, financiers, and **Vatican officials**, all Members of P2 (Propaganda Two) Masonic Lodge. Behind all the scandal was the financial collapse of the largest private Bank in Italy, Banco Ambrosiano, whose president was P2 Masonic Member, Roberto Calvi, with whom **the Vatican Bank** conducted business.

It was reported that as a result of this financial collapse, the Vatican lost millions. The fact that there was proof of Vatican and Masonic connections, left both parties totally embarrassed.

Just over a year later on 18th June, 1982, Roberto Calvi's body was found hanging under Blackfriars Bridge in London, where the tide ebbs and flows twice in twenty four hours (Masonic Penal Obligation). The first inquest recorded a verdict of suicide.

Calvi's relatives ordered a new inquest. They claimed Roberto was murdered because he was about to name the top Vatican Officials involved in the scandal. Obviously the question would have to be, 'Who commanded his murder ?' It is suspicious that in the midst of all the scandal, the Vatican suddenly decided to lift the ban on Freemasonry.

Could it be that a secret deal had been struck between the Vatican and the Masonic Order? As everyone is very well aware, corruption is rampant in 'high places,' even in the Vatican. Surely this must bring to mind the Scripture verse:-

'For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.'
Ephesians 6 v 12.

The Jesuit Priesthood

The Masonic Order is shrouded in secrecy, as is the Vatican, who have their own Secret Society, **The Jesuit Priesthood**, whose Members swear oaths, so horrendous, so despicable, words could never describe them, they are evil and vile to the utmost extreme. Freemasons swear oaths which ultimately affect themselves and their families. The Jesuit Priests swear to annihilate all people who disagree with the Pope and Roman Catholicism. (Contact us for copy of The Jesuit Oath.)

The Jesuit Order, desires only one thing, **total world domination**, under The Vatican/Roman Catholicism. The Jesuits in history have, and will, get rid of every Government/Institution etc. that is not subject to them. All this information is widely available through the internet and numerous Books written by highly trained, well-informed ex-insiders. This is God's doing, Praise His Name. (See True Story of 'Alberto,' ex-Jesuit Priest. Available www.chickpublications.com/Alberto.) The

evidence is undeniable. The Jesuits/Vatican even have connections with Islam - as they had with Hitler ??

The Vatican has always strenuously denied any role or connection with Freemasonry. However, this was proven untrue, when the scandal involving Banker Roberto Calvi, the Masonic Order and the Vatican hit the Italian headlines.

Most people are unaware of the 'depth of Vatican secrecy.' Did you know that **two** popes operate in the Vatican? The Pope which the world knows, as at present Pope Francis, but there is also the Superior General of The Jesuits, who is in ultimate control of all Vatican proceedings/world affairs. He is known as 'The Black Pope.' (not black in colour.) Again lots of info. on the internet.

'The Popes of Rome have thousands of secret agents worldwide. The truth is, the Jesuits of Rome have perfected Freemasonry to be their most magnificent and effective tool, accomplishing their purposes amongst Protestants.' This is a quote from page 302 of the Book, 'The Grand Design Exposed,' by John Daniel. Other Books of interest: The Woman Rides the Beast. By Dave Hunt. In God's Name. By David Yallop.

Freemasonry & The Judicial System

The Judicial System is bursting at the seams with Freemasonry. This puts a very sinister slant on absolute justice. It is common knowledge that in most professions, colleagues will be loyal one to another. However, in the Judicial System, where there are Masonic connections, it is extremely serious. For example, what happens if a criminal who is a Freemason comes before a judge who is also a Freemason? The question would have to be asked, 'In such circumstances is the course of justice perverted?'

The following two questions were asked by Revivalist Preacher Charles D. Finney, who until his conversion to Christ, was a Freemason. These questions still stand today. A man's own conscience should surely provide the answer.

1. Can a man who has taken, and still adheres to the Master Mason's Oath, to conceal any secret crime of a brother of that Degree, murder and treason excepted, be a safe man with whom to entrust any public office? Can he be trusted as a witness, as a juror, or with any office connected with the Administration of Justice?

2. Can a man who has taken, and still adheres to, the Oath of the Royal Arch Mason, be trusted to public office? He swears to espouse the cause of a companion of this Degree when involved in any difficulty, so far as to extricate him, whether it be right or wrong. He swears to conceal his crimes, murder and treason **not** excepted. Is such a man bound by such an Oath to be trusted with office? Ought he to be accepted as a witness or juror when another Freemason is a party in the case? Ought he to be trusted with the office of Barrister, Q.C., Judge, or Justice of the Peace, or as a Sheriff, Sergeant, Constable, Marshall or any other office?

What is your answer?

The Judicial System, like every other secular System, has within its ranks, Members who, humanly speaking, are totally upright - walking in integrity - a credit to their Profession.

Unfortunately on the other side of the coin, there are Judicial Members, who because of their association with Secret Societies or in many cases, the occult, they are as perverted, corrupt and criminal as some of the people who come before them in the courts to be sentenced for serious crime!

God is aware of this, far more than we are. He sees the whole picture and in His time He will expose every evil work, just as He has done with perverted Roman Catholic Priests, who have operated not only in their local Parishes and Dioceses - but also in the Vatican.

However, in the midst of evil, God's mercy still endures. His arms are still outstretched to the sinner. He longs for all to repent of their sins, to turn from their wicked ways and be saved. It is not The Lord's will that any should perish but that *all* should come to repentance.

'There is none righteous, no not one.' Romans 3 v 10

*'We have all sinned and come short of
the glory of God.'* Romans 3 v 23

Jesus said: 'Except ye repent, ye shall all likewise perish.'

Luke 13 v 3

*'The blood of Jesus Christ, God's Son,
cleanseth us from all sin.'* 1 John 1 v 7.

*'Every man that hath this hope in Him purifieth
himself, even as He is pure'* 1 John 3 v 3.

Chapter 6. Death In The Family

Suicide has become a very serious problem in society, in fact it is in epidemic proportions, claiming countless lives, the majority being young people. Causes are many and varied, for example sickness, unemployment, debt, or some other complex circumstance whereby the individual is unable to cope.

If people could only realise that Jesus is the answer to every problem. In their despair, if they would call upon Him, He would help them and give them that ability to cope, no matter how difficult the situation.

When addressing the problem of suicide, there is one other area which must surely demand our attention, and cause us to ask the question. Could suicide be the outworking of curses passed down from Ancestors, Grandfathers, or Fathers, who have participated in 'death rituals' as part of Secret Society Ceremonies, rituals such as the Cable tow (noose) around the neck at Initiation? You may think this is a crazy idea, believe me, it is not. It is all very, very serious and has deep, deep far-reaching consequences.

When the initiate bows the knee in submission to the Oaths and rituals of any Secret Society, he is literally bowing the knee to the devil, giving him legal right to move in and control every aspect of his life and that of his wife and family. This is real!

Thank God for the many, including ourselves, who have been delivered from 'secret society bondage.' How? Through Repentance, Salvation and the power of prayer in Jesus' name.

It is horrific to think that from Initiation to the Third Degree in Freemasonry, a man brings a curse upon every part of his body, with all the deeper consequences which affect his whole Family.

Mental Disorders, Brain tumours, Strokes, Brain Haemorrhages, Migrane Headaches, mouth, throat, ear, nose and eye problems, including deafness and blindness, all these things, plus many more, can be associated with the ritual of 'the black bag' over the head or 'the blindfold' at Initiation, or 'the symbolic death blow to the head' at the 3rd Degree. It is interesting to note that in some Masonic writings, 'the blindfold,' is referred to as being 'Hoodwinked!'

Every Ritual, Oath, Handshake, Password and Symbol has its own particular significance and associated curse which has a detrimental

effect, not only Physical, but Mental, Emotional, Financial, and above all Spiritual. Subsequently, because Husband and Wife are as one in God's eyes - these curses automatically extend to the wife and the children. This is all far, far more serious than anyone realises.

Consequence of the sin of Pagan Oath-taking

Masonic Oaths are all of a violent nature, representing death and destruction. Likewise the curses invoked by such oath-taking cause havoc and affect the whole family in every area of their lives. In order to have these horrendous curses and their consequences broken, you need God's help.

Your first step, Pray to God in Jesus' name, repent of your sin, renounce all the works of the devil including the pagan oath-taking and ritualism. Ask God's forgiveness. Surrender your life and give your allegiance totally unto Jesus Christ, by Salvation. This is the only way to be free from satanic bondage. As The Scriptures say

'...perform unto the Lord thine oaths'. Matthew 5 v 33.

Disturbing Facts

It is a very disturbing fact, that many 'good churchmen,' who have also been Masons, depart this life, never professing Salvation. The blind-fold or black bag placed over the head at Initiation has resulted in 'spiritual blindness' causing them to reject their great need to be saved. Obviously dedication to their Organisation has taken the place of Jesus Christ as Lord and Saviour. They have accepted the 'counterfeit G.A.O.T.U.' and the 'counterfeit new birth' of Freemasonry as their light and their salvation - thus condemning themselves to a lost eternity! What a tragedy!

Over the years it has also been observed that many men who were Freemasons, ended their days in mental institutions. Personally known, were several intelligent, stable men, who definitely could have been described as pillars of society, yet they ended their days unstable and mentally disturbed, some actually died in mental institutions. In each case the individual experienced a complete character change. They changed from being gentle and kind, to being loud and aggressive. Not only was this most distressing for the relatives, but it was a most difficult job for doctors, nurses and carers who had to work with them. In each case, the language was atrocious. Sad, sad to say, these poor men

seemed to be possessed and tormented by the devil himself. Their final months could only be described as demented. These are true facts.

Again this proves the point. You may prosper and climb the ladder of success through your Secret Society. You may go through life enjoying all the worldly pleasures with the so-called cream of society, but if you never turn to Jesus Christ in repentance of your sins, you will be lost, and at the end of the day, the devil, who is behind every Oath-Bound Secret Society, will claim his pound of flesh.

In a family where the head of the house is Oath-bound, you will find a curse hanging over every single family member. In some cases you may find one family member is more severely afflicted than the rest. It could be the eldest son, or it could be a daughter who is particularly close to her Dad. This is reality - please be warned and take these facts seriously.

If you are the Wife, the Son, the Daughter, grandchild or great-grandchild of a man who is or has been Oath-bound to the Masonic Order or some other Secret Society, sit down and take a close look at your Family. Are there afflictions of family problems, divisions in the family, broken marriages, sickness, disease, obsessions, addictions etc? Is there a history of tragedy, suicides, misfortunes or failure? Is there hereditary illness such as heart disease, cancer, or mental disorders etc.?

Speaking of broken marriages, it is significant to note that every married Mason, who wears a wedding ring, has to remove that ring along with all other metal objects, before he enters the Lodge. As well as that, a Mason carries 'Masonic secrets' which he cannot share with his wife. So figure that out for yourself. Freemasonry is a marriage wrecker and a family wrecker, in every sense of the word.

Dad could be prospering in everything he does and at the same time his Wife, his Son or his Daughter could be suffering through some long-standing serious disease or illness. Arthritis, especially in the hip and knee joints. Multiple Sclerosis, Epilepsy, Autism, Cerebral Palsy, Heart disease. Blood disorders, anaemia, leukemia, high or low blood pressure. Mystery illness/disease. Chronic fatigue. Cancer in all its various forms. Central Nervous System Disorders, such as Schizophrenia, Alzheimers, Parkinson's, Huntingtons, Motor Neuron disease, the list is endless.

On the other side of the coin there could be adverse circumstances, for example, in employment, in finances, in your business, on your farm,

etc. Again, in the majority of cases, 'these are the consequences, the out-working curses, of associated oaths.'

Everything to the extreme

Because the Oaths and Rituals of Freemasonry are horrific to the extreme, so too, you will discover that the out-working curses are to the extreme. The devil is not a clean fighter but rather he will work through families, causing havoc, in many and varied ways.

In Oath-bound families you will find various 'traits' in the victims. Some are secretive to the extreme. For others it can be, Pride, Arrogance or Perfectionism to the extreme. Yet for others it can be the opposite - immoral living, including prostitution, lesbianism, homosexuality, etc. It could be compulsive spending, running excessively out of control. Compulsive lying and stealing, obsessions, addictions, anger, aggression, depression, oppression, even demon-possession.

The curse of Secret Society oath-taking, makes ample provision for all these things.

If you see a family member falling into any of these categories or running to complete excess, in some area of their life, then start to check the family line. **Not always, we hasten to add**, but in most cases you will find Oath-bound connections in the direct Family line. It has been proven that many people have received Freedom after renouncing Secret society oath-taking, and asking God to help them.

Chapter 7. The curse of Dementia/Alzheimers.

Loss of memory is a very common occurrence amongst elderly people who have 'Oath-bound' connections. As already stated, all Secret Society oath-taking is mind-controlling, it has a brain-washing effect, where you will find people who are otherwise very intelligent, **accepting as good**, that which normally they would find revolting. As a result, that member and his/her Family is afflicted by a horrible curse of the mind - many of these dear people end their days in mental institutions.

For some the curse inflicted is '**complete memory loss**' in the latter years of life. This not only happens personally to 'Members of oathbound secret societies' - but cruelly it extends to their spouse/children.

Don't you think this curse perfectly describes Dementia/ Alzheimers?

The Alzheimers Society state in their literature, '**forgetting is natural and inevitable, but Dementia is a Brain disease which is not a natural part of ageing !!**' Other than accepting it as a brain disease - there is obviously no medical answer for the cause, yet, countless elderly people are suffering this debilitating disease which leaves them fearful, frustrated and disorientated. Don't you agree this sounds very much like the curse associated, not only with oath-taking, but with 'the blindfold' or 'the black bag' over the head at Secret Society Initiation? Page 26.

Another thing brought to our attention in recent times, is that many elderly people cannot swallow properly - they often have a horrible 'choking/strangling' experience which for them is very distressing. We have witnessed this time out of number as we visit Residential Care/ Nursing homes. Could it be that this is the fruit of the curse inflicted as a result of 'the cable tow/rope around the neck' at a Secret Society Initiation Ceremony?

Again we raise the question of the Suicide Epidemic.

What about 'Suicide' - especially by hanging?

This is a serious matter worth investigating. We truly believe that many suicides are the result of a curse passed down as a result of a father/ grandfather or some member in the direct family line having 'a cable tow/rope around the neck' at Secret Society Initiation. Don't believe this nonsense you say. Well, the writer would challenge you to Pray and ask

The Lord to show you, or give you some evidence, if this is true or not!! I guarantee you will receive a positive answer.

We would suggest that at the very first sign of any of these problems - dementia, choking etc. that you check your Family background for any oath-bound connections? If there is, then simply, before it is too late, seek The Lord Jesus Christ in Prayer, renounce and repent not only of personal sin, but also the sins of the Fathers. (See Nehemiah 1 & Daniel 9.)

No matter what people may say, God's Commandments are still the same for today as they were when given to Moses on Mount Sinai all those years ago.

The fact remains as the 4th commandment says, - 'the sins of the Fathers are upon the children to the 3rd and 4th generation of them that hate me' (that is those who never repented of their sins) **but**, God says, 'I will have mercy on thousands of them who love me and keep My Commandments' (that is those who repent of their sins and trust Jesus as their Saviour.) Again it must be emphasised that children **do not** answer for the sins of their Father - but they certainly do live out **the consequence** of the sins of unrepentant fathers, that is until there is genuine repentance leading to Salvation.

People need to be aware of these vital truths and repent before it is too late! They desperately need Salvation and deliverance through the power of the Blood of the Lord Jesus Christ.

In many cases you will discover that Oath-bound Members and their families are 'Accident Prone.' Freak accidents, car accidents, accidents with machinery etc. are commonplace.

In families where there is a history of barrenness, miscarriages, or loss of children, there is undoubtedly a curse outworking on the fruit of the womb. This curse needs to be investigated and broken in Jesus' Name.

Another area worth investigating is where Families have all sorts of unexplained lack e.g financially. The Family may have ample income but somehow can never hold on to it or make ends meet. If this is the case, then most definitely there is a curse which needs to be broken. Now you may say this is a load of ridiculous nonsense, but as you start to investigate, you will find, the facts are there.

Elitist Organisations – are not of God, as *‘God is no respecter of persons’ Acts 10 v 34.*

Freemasonry like so many other Organisations, is considered as being ‘Elitist.’ They will only accept ‘Reputable People’ into the Brotherhood. Because of this, a ‘Spirit of Pride, Arrogance and Domination’ rules, consequently you will find, proud people who consider themselves better than others, they like to be thought of as ‘the elite’ of society.

Where the spirit of Arrogance and Domination is at work, you will find Husbands and Fathers who are over-bearing, heavy-handed, and bad-tempered. In some families you will find the curse out-working through the women rather than the men.

Also when a ‘Spirit of Pride’ rules, you will find those who are perfectionists to the extreme. It could be for example, an unnatural obsession with cleaning. Certainly nothing wrong with cleanliness and tidiness - but when it persistently goes to the extreme, it can cause terrible frustration for other family members.

Domineering Mothers & Wives

As already stated, every symbol, ritual, and password has its own particular associated curse. One very significant example, is associated with the Masonic Symbol - The Bee Hive, that is the curse of the Queen Bee, representing in Oathbound families, domineering Mothers and Wives - a real ‘plague’ to any family.

Many a man has suffered or is suffering at the hands of a domineering Wife, Mother or Mother-in-law. Some poor children are ruled with a ‘rod of iron’ which unfortunately leaves them more vulnerable. Instead of preparing them for stability in adult life, it has the opposite effect. They go wild when they get freedom.

How often have you heard the remark, ‘Mrs. - is a very domineering woman, dear help those who have to live with her.’ Unfortunately, some poor sons and daughters live in the misery of being ‘bound’ throughout their lives by what ‘Mother says.’ Even in marriage, so very often they are not free to live their own lives, the Queen Bee, is always hovering in the background. Many a marriage has broken-up because of a domineering and meddling mother or mother-in-law.

Needless to say these women are totally oblivious to the fact that there is a curse hanging over them, causing them to be domineering. Total

'crazy nonsense' you may say! Sadly the facts are there. What a mixed bag of abominations to Almighty God, who truly hates all these things.

Marriages need to be liberated through Jesus Christ, only then can true freedom be reality and the poor 'Queen Bees' settle down to grow old gracefully. It is God's Command that honour be given to Fathers and Mothers, so even though you may be in that hard situation, where there is a domineering family member, remember, you are not fighting against flesh and blood, but against the principalities and powers of the devil, who have bound that person. Ask The Lord's help to save, heal and deliver them. All that remains for you to do, is watch and wait patiently, to see the Lord move in His Almighty power. That way it will end in blessing.

What God favours and desires is humility of Spirit, a people who genuinely know Him as their personal Saviour, walking with Him, not only in humility but in obedience and holiness of life.

No man or woman needs the bondage and baggage of Secret Society Membership which causes everything they own to be cursed.

To every Secret Society Member the warning is clear. The devil is robbing you day and daily. If you continue as you are, in his camp, he will eventually rob you of your very soul and take you to Hell. This is not God's will for your life. He pleads with you to repent. To renounce the devil and all his works. Turn to God. He longs for you to walk in His ways and thus have His blessings.

'Where The Spirit of The Lord is, there is liberty.'

2 Corinthians 3 v 13.

The very desperate need of the hour, is for every man, woman, boy and girl to know the Lord Jesus Christ, as their personal Saviour. If you are not saved, then your name cannot be written in Heaven, in the Lamb's Book of Life.

'..and whosoever was not found written in the book of life was cast into the lake of fire.' Revelation 20 v 15.

Chapter 8. Mystery In The Symbolism

Albert Pike, Manley Hall and Albert Mackey, all 33rd Degree Masons, declared that the 'mystery of Freemasonry' is in the Symbolism.

What is a Symbol? What is the significance of Symbols?

'A 'Symbol' is a visible sign of something invisible. Symbols play a very important role in society today. From Organisations, Movements and Practices to household products and cars - each have their own recognisable Symbols. Behind every 'Symbol' there is a meaning.

In **many** Secret Societies eg. Freemasonry you will find that their Symbols have **double meanings**. The outward meaning known to **all** members and the hidden or secret meaning revealed only to those at the highest level of involvement in their particular Organisation.

Following is a quote from a well-known Christian writer, who is an authority on 'Symbolism.'

'Since the sexual nature of many Symbols is now concealed under other guises, the average person no longer realises the vulgarity behind them. Many organisations, however, use particular symbols and logos **intentionally**, knowing **precisely** what is being represented thereby.'

From beginning to end, the Symbolism of Freemasonry (and countless other Organisations) represents sexual immorality. Immorality is promoted on every hand, yet sadly the majority of 'decent' men involved in the lower degrees are totally unaware of the disgusting paganistic side of their Organisation.

The Symbolism of Secret Societies, Paganism, Witchcraft, Satanism, Celtic/Druidism, The New Age Movement, etc. is all intertwined. Although each particular grouping have their own specific symbols - you will discover upon investigation that many of them have the same hidden or secret meaning. They are **all, without exception, based on Paganism and Occultism.**

Although at base level, all these Organisations, Movements, and Practices are completely different – with a diversity of backgrounds spanning from paganistic to religious - **at the top level of the elect** – you will find they are as one - because the aims and purposes of

all these different organisations are exactly the same. A harmonious Brotherhood of Man acknowledging the devil as their 'head.'

'Blue Lodge Members' intentionally misled.

The majority of Freemasons who remain in 'The Blue Lodge' are kept in ignorance as to the true nature of 'The Brotherhood.' They are intentionally misled regarding the true meaning of Masonic Symbols.

The following words were written by the late 33rd Degree Mason, General Albert Pike, Grand Commander, Supreme Pontiff of Universal Freemasonry. He was the author of the book, 'Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry.' From here we quote Albert Pike's own words, Page 104-105:-

Masonry like all the religions, Hermeticism and Alchemy, conceals its secrets from all except the elect, and uses false explanations and misinterpretations of its Symbols to mislead those, who deserve to be misled, to conceal the truth, which it calls light, to draw them away from it.

The Blue Degrees, are but the outer court or portico of The Temple. Part of the Symbols are displayed there to the 'Initiate', but he is intentionally misled by false interpretations. It is not intended that he shall understand them, but it is intended that he shall imagine he understands them.

For any self-respecting man who is a 'Blue Lodge Member,' the above statement should be enough to persuade him to abandon The Masonic Order in disgust.

When you know the true meaning of the Masonic Symbols - then you can understand the disgusting and 'paganistic' nature of 'the Craft.'

So what is the real meaning of the Masonic Symbols? (See page 68.)

It isn't necessary to go into all the sordid detail. Brief reference is all that is required. Sufficient to say, the Rituals and Symbols of 'The Craft' have a much more sinister sexual meaning. There is a world of difference between the true meaning and what is told to Members of the Lower Degrees.

Freemasonry claims to be a universal 'religion' which is reviving the Ancient Mysteries of Egypt, Persia, Babylon, etc.. According to Albert

Pike's Morals & Dogma, - every Masonic Lodge represents the universe, referred to as Mother Earth. Also depicted are the sun, the moon and the stars. In the Lodge, they are symbolic, not only of Eastern Mysticism but also of 'nature worship' going right back to Druidic roots, with all the deeper occultic implications!

Every Masonic Lodge is 'symbolically' a place of birth. Members often refer to it as, 'the Mother' from whom 'Masonic life' is received. One very good example is, The Grand Temple inside Freemasons Hall, Great Queen Street, London. It is representative of 'a womb.' This is similar to the Great Pyramid in Egypt, which is known in 'a mystical sense' as the place of Initiation. The central chamber of the pyramid is known as 'the chamber of rebirth and resurrection.' The same principles apply to Masonic teaching. This is the **complete opposite of Biblical 'rebirth,'** which is Repentance of sins, leading to Salvation through the Lord Jesus Christ.

The 'G' of Freemasonry

Members of the lower Degrees believe the 'G' represents 'God' or Geometry, but, as declared by 33rd Degree Masons, this is misinterpretation. What the 'G' really stands for is 'Generative' - representing the Generative Principle of Life' - which in simple terms means the worship of the male reproductive organ.

In the Ancient Mystery Religions, which the Masonic Order claims they are reviving, the belief was, that immortal life came through the Generative Principle of Life, the impregnating of the woman, thus giving birth to the child. They believed that immortality came through your children and that the generative principle of life came through the man.

Immortality, or everlasting life, can only come, as already stated, through repentance of sins, leading to Salvation through the precious shed blood of the Lord Jesus Christ. Can you the reader, see how serious all this becomes in the eyes of a Holy God?

The generative principle of life is represented by what they call, the 'Phallus Symbol.' The Phallus, or the Obelisk are just alternative names for the male reproductive organ!

In Washington DC, the Washington Monument, is a large obelisk in the middle of a circle. Believe it or not, this is symbolic of the sexual union between man and woman, - The obelisk representing the male, - the

circle, the female. The same symbolic meaning as the point within the circle. The same symbolic meaning as the square and compass.

Masons built the Washington Monument as the basic symbol representing the generative principle of life. This makes it abundantly clear where the 'spirit of lust' comes into the equation and the associated curse – sexual immorality, adultery, incest and such like.

Regarding the white lambskin apron worn by every Mason. Blue Lodge Members are told this is the symbol of innocence or righteousness. My, oh my, what deceit. The real symbolic meaning known by top Masons is disgusting. Enough said. The following Scripture says it all:

'Beware of false prophets which come to you in sheep's clothing, but inwardly they are ravening wolves' Matthew 7 v 15.

If you are a Mason, or a Member of any other Secret Society, let the Word of God speak to your heart as follows:-

'Have no fellowship with the unfruitful works of darkness, but rather reprove them. For it is a shame even to speak of those things which are done of them in secret. But all things that are reprov'd are made manifest by the light; for whatsoever doth make manifest is light. See then that ye walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil.' Ephesians 5 v 11-16.

'For there is nothing covered, that shall not be revealed; neither hid, that shall not be known.' Matthew 10 v 26.

'Therefore whatsoever ye have spoken in darkness shall be heard in the light; and that which ye have spoken in the ear in closets shall be proclaimed upon the housetops.'

Luke 12 v 3-4.

The hidden Symbolism is no longer hidden or secret, the facts are confirmed in the writings of 33rd Degree Masons, Pike, Hall and Mackey. They probably never realised that one day their writings would become public knowledge, no longer secret information for the select few.

The whole thing is like a replay of the 'Golden Calf' worship of the Children of Israel when they turned their backs upon God in the wilderness and how God's wrath was kindled against them (Read Exodus 32).

As we see God's judgment falling upon the earth, we can surely agree, this is the consequence of turning our backs on the One and Only true God.

The Masonic Order's obsession with Egypt is clearly evident by the many Egyptian artefacts proudly displayed both inside and outside the Lodges. The Holy Bible refers to Egypt as 'The land of bondage.' This describes The Masonic Order exactly. Any man who is Oath-bound to it or any oath-bound organisation is ultimately in 'The land of bondage.' God speaks through His Word saying:-

'I am The Lord thy God, which have brought thee out of the land of Egypt, out of the house of bondage, thou shalt have no other gods before Me.' Exodus 20 v 2.

The False teaching of Freemasonry

We believe that Jesus Christ is central to the Christian Faith. The very essence of Christianity is man's inability to save himself. For this cause God sent His Only Begotten Son, Jesus, to die on the cross to make atonement for us.

*'For God so loved the world that He gave His Only Begotten Son, Jesus, that **whosoever** believeth in Him should not perish but have everlasting life'* John 3 v 16.

How different this is from the official Masonic Teaching on Jesus Christ. We quote again from Albert Pike's Morals and Dogma. Page 525.

Masonry reverences all the great Reformers. It sees in Moses the Lawgiver of the Jews, in Confucius, in Zoroaster, in Jesus Christ of Nazareth,great teachers of morality and eminent reformers - if no more.

Here we see Jesus Christ described as a great Reformer, no different from Confucius or Zoroaster. Jesus Christ didn't teach 'a system of morality' to lead one to God but rather teaches that He **is** the way to God.

'Jesus said, I am The Way, The Truth and The Life, no man cometh unto The Father, but by Me.' John 14 v 6.

The following is further false Masonic teaching as proclaimed by 33rd Degree Mason, Manley Hall in his book 'The Lost Keys of Freemasonry,' Pages 64 & 65:-

The true Mason is not creed bound. He realises with the divine illumination of his Lodge, that as a Mason his religion must be universal - Christ, Buddha, Mohammed, the name means little, for he recognises only the light, and not the lightbearer.

What a statement this is! Surely this should be an offence to any 'Mason' who claims to know Jesus Christ as his Saviour! Christ, Buddha, Mohammed - **the name means little**. How interesting that The Bible says:-

'At the Name of Jesus every knee shall bow and every tongue confess that Jesus Christ is Lord, to the glory of God The Father.' Philippians 2 v 10-11.

'Neither is there salvation in any other, for there is none other name, under Heaven, given among men, whereby we must be saved.' (that is the Name of Jesus) Acts 4 v 12.

Manley Hall goes on to say: The Mason worships at every shrine, bows before every altar, whether in temple, mosque, pagoda or cathedral, and he realises with his true understanding, the oneness of all spiritual truths. No true Mason can be narrow for his Lodge is the divine expression of all broadness.

Another anti-Christ statement! What does The Bible have to say regarding 'the broad way'?

'Enter ye in at the strait gate, for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat; because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.'
Matthew 7 v 13-14.

After reading the above statements, surely any man who claims to be a true Christian and also a Freemason, would have to seriously consider his position in an Organisation which obviously has little regard for Jesus Christ and His sacrificial death upon the cross for our redemption.

Chapter 9. Ascending The Ladder

Space prohibits detail of all the Masonic Degrees, only brief reference is made to a few, but having reached the 17th and 18th Degrees, the dedicated Mason is just over half way on the Masonic Ladder, blasphemously referred to as Jacob's Ladder. Is it any wonder that The Lord detests all these Oath-bound Organisations, which make such a mockery of His Precious Word of Truth.

From the 19th Degree, the Member is ascending to an even more exclusive dimension. He must now be selected and elected unanimously by The Supreme Council.

During the 19th Degree the candidate is anointed with oil on the crown of the head and the declaration is made, 'You are now a priest forever, after the Order of Melchisedek.' What blasphemy! Taking the role of Jesus!

'..Being made perfect, He (Jesus) became the author of eternal salvation unto all them that obey Him; called of God, an high priest after the order of Melchisedec.' Hebrews 5 v 9-10.

The Shriners - A most powerful and binding Oath

As the Mason ascends to the top, soon the Masonic Headship will be revealed. The 30th, 31st, and 32nd Degree Masons are known as The Shriners.

'The Shriner' continues on that now familiar path of swearing more pagan blood Oaths. He also swears allegiance to Allah, the 'god' of Mohammed and The Arabs. How can a man who claims to be 'Christian,' do that ?

The following is just a brief extract from the 32nd Degree Shriners Oath:- The candidate for this ritual kneels at 'The Altar of Obligation' with arms bound, leaning on the altar, head bowed. He then takes on as the Masonic Order states: 'a most powerful and Binding Oath, inseparably uniting yourself with us, and once taken, can never be retracted or departed from....' (This oath can of course be broken in Jesus' Name.)

This very lengthy Oath, is curse enough in itself, but if violated, its penalty includes 'Having the eyeballs pierced to the centre with a three-edge blade.' It is a well known fact that in recent years, a murder committed in Mid-Ulster, Northern Ireland, had all the hall-marks of such a killing. Not

only were the victim's eyeballs pierced through, but the whole ritual was carried out with great precision to detail. That murder is still unsolved!

Should these cruel penalties never be carried out, one would have to question the 'sinister thinking' behind the penal obligations of each degree. Such horrific violent crime towards another human being is spine-chilling. Those responsible for instigating these penalties must surely have been demon-possessed!

It is vital to repeat often, that no matter how many Oaths you may have sworn – no matter how many 'Blood Covenants' you may have made, - the curse of these can be broken in the Name of Jesus Christ. When you earnestly repent and surrender your life completely to the Lord Jesus Christ by Salvation, then, and only then, can you be free from satan's snare! There is no other way.

The Masonic Royal Secret

To discover the Masonic Royal Secret we quote very briefly from the lengthy lecture given to those entering the final Degrees:-

'We now come to the great symbol of Pythagoras. Our Symbols have descended to us from the Aryans, and many were invented by Pythagoras, who studied at Egypt and Babylon...

..Every equilateral triangle is a symbol of Unity, as are all groups of three in the Lodge. The sacred and mystic Hindu symbol AUM – symbolises a supreme god of gods. This trilateral name for god is composed by three sanskrit letters. 'A' for Creator. 'U' for preserver. 'M' for destroyer. It is pronounced A-A-A-U-U-U-M-M-M. (AUM).

All these things which you can learn by study, concentration and contemplation, have come down to us from our ancient ancestors through Zarathustra and Pythagoras. You have now reached the mountain peak of Masonic instruction.

Now we hope you will study diligently the lessons of all our Degrees, so that there will be nurtured within you a consuming desire to pierce the pure white light of masonic wisdom and before you go, let me give you a hint; and that is all that the great mystics ever give, as to how you may learn to find that light. The hint is in The Royal Secret,

that true word. Man is born with a double nature; what we call good and what we call evil; spiritual and earthly; moral and immoral; and finds the purpose of his being only when these two natures are in perfect harmony, like the Harmonies of the Universe. ‘Harmony’ my brethren ‘Harmony’ is the true word and The Royal Secret which makes possible the empire of true Masonic Brotherhood.

So ‘Harmony’ is the Masonic Royal Secret

‘Harmony’ with a Masonic Brotherhood, no matter what their faith or culture. What is wrong with that, you may ask? It is a unity which acknowledges all ‘faiths’ and ‘godheads’ but does not acknowledge Jesus Christ, nor do they acknowledge the need for Repentance of sins leading to Salvation. They believe their salvation is ‘acquired’ through Masonic Light. What a cruel deception!

Also in this lecture you find the Masonic Order acknowledging the sacred ‘AUM’ of the Hindu religion, and referring to it as symbolising a ‘supreme god of gods.’ Harmony and unity under the Hindu god, AUM, being the Masonic Royal Secret. Surely this is shocking information for any Freemason who acknowledges the Lord Jesus Christ as Saviour. He is in fact trading his relationship with Jesus for a false Hindu god.

Freemasonry, Yoga & Alternative Therapies

No doubt you will consider this sub-title – absurd! However, it is interesting to discover that this same ‘AUM’ of the 32nd Degree Freemasonry is also referred to in Yoga! As the participant ascends the Ladder of Yoga they will discover that during the Meditation, the ‘Sacred Hindu Word’ - ‘AUM’ is repeated or chanted over and over again. This is not mere co-incidence!

Millions of people are participating in Yoga, not only for the exercise but also to alleviate stress, yet very few are aware that Yoga is basically a Hindu Religion. Needless to say, the majority who practise this vice, will argue there is no religious connection, but here is a quotation from Guru Rabin Maharaj:- ‘There is no Hinduism without Yoga’ and ‘No Yoga without Hinduism.’

If you really want to alleviate stress, turn your life over completely to Jesus Christ by Salvation, then as the Bible says in Isaiah 61v3:- (Put on) ‘...*the garments of praise (to God) for the spirit of heaviness.*’

Listening to good sound Biblical preaching, praising and singing unto God sincerely from your heart, will dispel every fear, lift all heaviness, and disperse every dark cloud of depression.

In recent years there has been phenomenal interest and participation, not only in Yoga but in all the Eastern Alternative Therapies and Medicines.

Does it surprise you that the aims and purposes of the Masonic Order, are exactly the same as those promoted through Alternative Therapies, the Ecumenical Movement, the New Age Movement etc? They all have the same goal, - Harmony with all men, embracing 'All Faiths,' accepting all cultures, but excluding Jesus.

The connection between Alternative Therapies and Freemasonry is again - **Harmony** - East meets West. The Western World, accepting without the slightest objection, Eastern cultural cures. We make no apology for saying, they all, without exception, have their roots in hell, instigated by the devil, appearing again, as he so often does, in his role as an angel of light.

We are definitely not racists, but isn't it amazing that Eastern immigrants have brought with them their food culture, which is not compatible with our Western metabolism. Eastern people thrive on the foods compatible to their own country and culture. Western people thrive on the foods compatible to their own country and culture. That is the way God made us and intended it to be. For example, in the majority of cases, when Westerners eat Eastern food, which is mostly very spicy, it harms their body - their metabolism cannot cope with it - it causes all sorts of health problems. What happens next, they resort to Eastern Cures, which are occultic and contrary to God's Word. Ultimately we have the situation as it exists today in our society - a Western nation which is not only sick physically but sick and anaemic spiritually. Think about it..... !

Two words sum up 'Alternative Therapies.'

Dangerous and Destructive.

Dangerous - physically and mentally.

Destructive - Spiritually.

Healing through Alternative Therapies, such as Yoga, Hypnosis, Reflexology, Aromatherapy, Acupuncture, Acupressure, Ta'i Ch'i, Homeopathy, Feng Shui, Reiki, etc. is most definitely not from God but from the devil.

Although you may be healed of your ailment at the time, nine times out of ten it will reappear at a later date, very often accompanied by severe depression. Many, many people have confirmed this to be the case. So beware! You have been warned. (See our Booklet on Alternative Therapies & Medicines.)

Doctors and nurses have to train for many years to reach the full potential of their God-given skills, but Alternative Therapists are springing up everywhere, almost overnight. Needless to say the biggest attraction in all these occultic practices, is money! The love of money is the root of all evil.

People who visit Alternative Therapists believe that the more expensive the Therapy the more powerful the healing. This, of course, is absolute rubbish!

The Bible says, 'Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and NOT after Christ.' Colossians 2v8.

Isn't it amazing that Jesus Christ 'freely' shed His Blood and died on that cruel cross of Calvary in order that mankind, through repentance of their sins, could be saved, healed and delivered - yet few, very few take up His offer!

If you are currently receiving Alternative Treatment and are alarmed by this information, please don't panic. Simply turn from it. Get down before God, renounce the therapy, repent of your sins, ask Him to forgive you and He will. What He desires of course, is that you commit your life totally to Him by Salvation.

True Harmony in Jesus

Now please don't misunderstand our position as we seek to warn of all these devilish Practices, Organisations and Movements. As believers and followers of The Lord Jesus Christ, we must have a sincere love for all people. No matter what their culture, their religion, or what they are involved in, they all have souls that need Salvation. We do not condemn any individual but rather the Organisation, the Movement, the Practice, or the Religion whereby they are deceived.

Our responsibility is to show God's love to everyone, encouraging them to acknowledge the One and Only True God, the Lord Jesus Christ, who bore upon His own body, the sins of the whole world. He shed His precious blood and gave His life upon the cross for all mankind. He rose again from the dead and is seated at the right hand of God The Father Almighty, ever interceding on our behalf. It is our prayer that *today* you will acknowledge that sacrificial death of Jesus for YOU. Will you turn to Him in repentance of your sins and accept Him as your Saviour?

The only true Harmony and Unity acceptable to Almighty God is, when His Son, Jesus, is acknowledged as Saviour and Lord by those from every nation and every denomination, who have turned away not only from sin, but from every falsehood.

'Jesus said, I am the way, the truth and the life, no man cometh unto the Father but by Me.' John 14 v 6.

When Jesus Christ is given his rightful place amongst all true, born again believers, then, they will know the Harmony and universal unity which comes from God alone. It will not be 'man made' - it will be a 'perfect God-given unity of One Church – One Faith.' As Jesus said:-

'I will build My Church, and the gates of hell shall not prevail against it.' Matthew 16 v 18.

Yes, Jesus Christ, is building His Church. It is not a building of bricks and mortar. It is not a gathering of Multi-Faiths, Organisations and Movements. It is a building and binding together of His people, from every walk of life, from every nation, who have discovered the true way of Salvation. Born again believers in Jesus Christ who have separated themselves from every false way, giving their lives in total surrender to Him.

Chapter 10.

The Headship Of All Secret Organisations

To discover and completely seal, 'Who is the most high 'god' of Freemasonry?' Again we quote General Albert Pike from his Book, 'Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry.'

That which we must say to the crowd is – We worship a 'god.' But it is the 'god' one adores without superstition. To you Sovereign Grand Inspector General, we say this, and you may repeat it to the Brethren of the 30th, 31st and 32nd Degrees. The Masonic religion, should be by all of us initiates of the High Degrees, maintained in the purity of the Luciferian Doctrine.....If Lucifer were not 'god' would Adonay (the God of the Christians) whose deeds prove cruelty, perfidy and hatred of man, barbarism and repulsion for science, would Adonay and His priests culminate him? Yes, lucifer is god, and unfortunately Adoney is also god, for the eternal law is that there is no light without shade, no beauty without ugliness, no white without black, for the absolute can only exist as two gods, darkness being necessary for light to serve as its foil... Thus, the doctrine of satanism is heresy, BUT the true and philosophical religion is the belief in lucifer, the equal of Adonay, but lucifer, god of light and god of good, is struggling for humanity against Adonay, the god of darkness and evil.

It is now plain to see that the one who brings 'The Masonic Light,' turns out to be the prince of darkness - the devil - masquerading as 'an angel of light.' The Masonic Order have stated their claim - their belief in lucifer. To say that lucifer is equal to God is outrageous blasphemy!

Different symbols, same meaning

Referring to the statement, 'there is...no white without black, for the absolute can only exist as two gods...etc.....' Many Masonic Halls etc. have black and white squares on the floor. Here you have the Chinese principle of Ying and Yang – which represents man's double nature - part evil, part good! This is a very good example of the similarities between

Masonic Symbols and New Age Symbols. Different symbols but with the same meaning!

Man's double nature

Man may be double-natured, but God is not. The Bible says, '*...God is light, and in Him is no darkness at all.*' 1 John 1 v 5.

'Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness.....' Isaiah 5 v 20.

The Masonic Symbol which represents the equality of God and lucifer, is the double-headed eagle. It is also representative of man's double nature. You can see this and many other Masonic symbols displayed not only in Lodges but on the American Dollar Bill. Is this surprising when at least fourteen United States Presidents have been Freemasons, as are most Congressmen?

The curse associated with the blasphemous Masonic Symbol of the double-headed eagle is, double-mindedness or double standards. Surely you will agree, this is a perfect description of the many World Leaders today who are also involved with Secret Societies. They say one thing publicly but say and do the opposite behind closed doors. The Bible is very definite regarding 'double-mindedness':

'A double-minded man is unstable in all his ways.' James 1 v 8.

World Leaders, Secret Societies & the New World Order

Double standards are evident in every sphere of life, even in top professions where you would expect total honesty. In these evil days, there are few who are totally trustworthy. From Presidents to Prime Ministers, World Leaders and Governments, Banking Systems, Educational and Health Systems, Judicial Systems, Religious Systems – they all reek of deception. At every level there is a network of conspiracy and secrecy operating from behind closed doors.

The whole world is run on a system of deceit, corruption, bribery and lies.

The Bible says, 2 Timothy 3 v 1-13, '*In the last days.....evil men and seducers shall wax worse and worse, deceiving and being deceived.*'

Every faith, every culture have their own oath-bound organisations, each organisation having their own men leading double lives. This is particularly characteristic of organisations such as the Jesuit Priesthood.

Many World Leaders are not only Freemasons, but most were or are members of other Secret Societies such as The Illuminati, The Bilderbergers, Skull & Bones, The Bohemian Club, - to mention just a few of the even more 'exclusive' but even more sinister Secret Societies. Even though they may be unaware of it, members of these Secret Organisations are motivated by the devil. They are power-crazed, deceitful, arrogant men, working hand in hand for the furtherance of 'The New World Order.'

The Masonic Order – The Great Seal of America - The American Dollar Bill

The secrets of the New World Order began in America and can be read on The Great Seal of The United States, both sides of which are shown on the Dollar Bill. The Great Seal is still used today, to prove the President's signature on official documents.

The Great Seal came into being on 4th July 1776 and was finalised in 1782, it is a symbolic statement of the Founding Fathers' vision of the origin and future of the American nation.

In 1957, the statement 'In God we trust,' was added to the Dollar Bill. However, the seal itself is Masonic and pagan in origin.

The back of the Great Seal is depicted on the left-hand side of the Dollar Bill and is most interesting. It is the incomplete Egyptian pyramid of Giza, capped with the all-seeing eye that also appears on Masonic Aprons. This all-seeing eye - is the symbol of Lucifer himself, who will complete and control the pyramid of power when the New World Order is fully imposed and built in all nations.

The base of the pyramid is inscribed with the date 1776 in Roman numerals. Not only was this the year The Great Seal came into being, but it is also the year in which the Illuminati was founded in Europe and the year the American Revolution was declared as the first experiment in New World Order. Underneath the pyramid is a scroll in Latin announcing, 'New World Order.' Surrounding the all-seeing eye is another inscription in Latin, 'He has favoured our Project.' 'He' meaning the all-seeing eye, Lucifer, who favours the New World Order Project.

Both these Latin inscriptions are direct quotations from Virgil and are pagan, not Biblical.

The front of the Great Seal appears on the right-hand side of the Dollar Bill. There it shows an eagle clutching an olive branch and a sheaf of arrows – peace through war. On its breast the eagle bears a shield, the stripes of which represent the 13 states united, as does the constellation of stars above the eagle’s head. Worldwide, 13 is steeped in superstition.

In the occult - 13 represents death of the old and a beginning of the new. The Egyptians believed in 12 steps to eternal life and knowledge, to take the 13th step meant, like the phoenix, to go through death into new life. Represented on the Great Seal of the USA is:

- 13 original colonies
- 13 signatories to the Declaration of Independence
- 13 stripes on the shield
- 13 stars
- 13 olive leaves and olive fruits
- 13 arrows
- 13 letters on the scroll in the eagle’s mouth
- 13 steps of masonry on the Egyptian pyramid
- 13 letters in the Latin above the pyramid.

Could it be that 13 symbolises death to the Old World Order and the birth of the New World Order? Notice on The Dollar Bill, the eagle grasps a ribbon in its beak which says in Latin, E Pluribus Unum which means ‘Out of many, one.’ A simple statement referring to the One World System – which we know as The Anti-Christ System. If seen in the Masonic context of a building project, and looking again at the pyramid reaching up to the all-seeing eye, our thoughts go back to Genesis 11 v 4 -8, when the people built the Tower of Babel and said:-

“Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth. And The Lord came down to see the city and the tower, which the children of men builded. And The Lord said, Behold, the people is one, and they have all one language; and this they begin

to do: and now nothing will be restrained from them, which they have imagined to doSo The Lord scattered them abroad from thence upon the face of all the earth; and they left off to build the city.”

So let us take note and be encouraged. The New World Order **will** come into being –the Babel System of Genesis **will** repeat itself, but just as The Lord destroyed it then – so He **will** destroy it again - it **will** be brought to nought. All the world **will** then realise - The Lord God Almighty is in control - not man.

The Bohemian Club

In July each year, World Leaders, together with hundreds of other well known personalities, meet for a two/three-week vacation, at a place called Bohemian Grove, Monte Rio, Sonoma County, North Carolina, 70 miles north of San Francisco. Members of this ‘exclusive club’ eagerly participate in what they call ‘the spirit of Bohemia.’

This is not merely ‘a vacation’ but rather a time for discussion by like-minded people on global affairs. These ‘Lakeside Talks,’ as they are called, are what we would recognise as planning for the advancement of the New World Order.

At the beginning of their proceedings, they participate in a ritualistic ceremony, called ‘The Cremation of Care,’ which is pagan in every sense of the word. According to the abundant reports now circulating the public domain, men in hooded robes can be seen in procession, chanting as they worship the Great 40ft. Stone Owl, known as the Great Owl of Bohemia. Observers refer to this as the revival of Canaanite Molech Worship mentioned in the Bible. The ‘goings on’ at Bohemia are sinister to say the least.

Although this sounds like something out of a Hollywood Movie, they are true facts, involving real men, not actors. Men from every nation and cultural background. Men known as World Leaders in this 21st century.

When the Gulf War started in 1991, President George Bush, Senior, stated, ‘This is an historic moment. I am hopeful the fighting will not go on for long. We have in the last year made great progress in ending the long era of conflict and cold war. We have before us the opportunity to forge for ourselves and for future generations A NEW WORLD ORDER where the rule of law governs the conduct of the nations.’

When the rule of law of the New World Order governs the nations it will be a black day for mankind. This is a sinister, evil and demonic regime, which is detailed in the Bible. It is the Anti-Christ System.

The evidence is undeniable, - through Secret Societies, The Illuminati; The Bilderbergers; Skull & Bones; The Bohemian Club; The Ecumenical Movement; The Charismatic Movement; The New Age Movement, Holistic Healing & Alternative Therapy Groups etc. we are witnessing the advancement of the Anti-Christ One World System. One World Government - One World Monetary System - One World Church.

The Symbol of The Pyramid

Is it co-incidence that so many worldly Systems, Movements and Organisations use the Pyramid as a symbol? They all have a very broad base, all very different in their out-workings, but when examined and tested more closely, you find various similarities, until eventually at the apex of the pyramid, you find without exception, the same common goal - 'Multi-Faith Harmony' in a New World Order, with the devil as the head.

Although many of the modern Movements and Organisations appear 'good,' the same spirit of anti-christ is at work behind them all. Their unity and harmony is man-made. Therefore, before God, they are null and void.

They are all counterfeits of the true Church of Jesus Christ.

Behind Closed Doors!

It is common knowledge that there are many 'Hidden Agendas' and secret plans being put into action from behind closed doors. As already stated, the whole world is in chaos, run on a system of deceit, corruption, bribery and lies. Every country and nation is controlled by leaders, who are not to be trusted.

The Bible, however, reminds us to pray for Leaders and all those in authority. *'The powers that be are ordained of God.'* Romans 13 v 1. Even though some of these men may be atheists, God can still work

through them to bring to pass His greater plan for the redemption for mankind.

Only God knows what goes on behind closed doors, but as His Word declares:

'...there is nothing covered that shall not be revealed, neither hid, that shall not be known.' Luke 2 v 2. *'For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil.'* Ecclesiastes 12 v 14.

Thankfully, in His divine love and mercy, He has brought many men out of the Masonic Order, the Occult, and countless other oath-bound Societies. Ultimately, He has used some of these men to write the numerous books and testimonies which are available today, exposing the errors and the great deception behind such Organisations.

We truly believe if Freemasons and members of all other Secret Societies, fully realised the effects of Oath-taking and Ritualism upon themselves, their wives, their families, their Churches and the State as a whole, they would come out of these Organisations in their thousands. If they fully understood, that they were in fact, worshipping the devil, they would fear and flee from that evil influence. The Lord Jesus is waiting with open arms for all those who truly seek Him.

Charles C. Finney and D. L. Moody, are just two of the many great Christian men, who were vigorous in their condemnation of secret Organisations. As they spoke out fearlessly, the Lord in turn blessed them abundantly. They and others like them won countless souls for Christ. May we in our day take our stand with the same effectiveness.

Today may we encourage and pray for those genuine Christian Preachers, who proclaim the Gospel faithfully, week in, week out, yet see little fruit for their labour. No doubt, there are so many oath-bound men in congregations, that the liberty of God's Holy Spirit is hindered.

May Christian Preachers speak out fearlessly, against all ungodly Secret Societies. Should some of their 'members' leave, and the financial loss to the church be substantial, may they hold fast to the Lord, the One who is in complete control, and earnestly contend for 'The Faith'. (Jude 1.)

The Financial Report may be depressing for a time, but, obedience to God, brings the ultimate blessing. Just as He blessed Preachers like Finney, Moody, Torrey, the Wesley Brothers and a host of others, so He will bless those who stand firm against every work of the devil. In return there will be an out-pouring of God's Holy Spirit to such an extent, that all will stand back in amazement and say, 'Surely this is the Lord's doing.'

Evil Exposed

From these few brief points, no doubt you will have grasped the progression of evil which works its way through these different Organisations. They all embrace the world of Multi-Faiths: The Occult; Eastern Mysticism; Eastern Alternative Therapies & Medicines; The Martial Arts; Yoga; etc. They are all Luciferian Organisations, in harmony with the Anti-Christ System. Anyone who seeks to follow the Lord Jesus Christ and is involved in any of these Organisations or Movements, is in an extremely dangerous position.

Just as a poisonous viper slithers subtly and slowly to reach its prey before choking it - so too, does pagan blood oath-taking and ritualism have that very same serpent-choking effect upon all oath-bound individuals. These detestable, devil-inspired practices have led and are leading millions of precious souls to HELL.

*'...Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience. Be not ye therefore partakers with them....'
Ephesians 5 v 7.*

Will you ponder these facts in your heart, will you give heed to this very solemn but sincere warning? Will you make it a matter of urgency to turn in genuine repentance to the Lord Jesus Christ, that you may be saved and set free before it is too late? If not for your own sake - then consider your family. Remember, no matter what 'secret organisation' you belong to, you are bowing at a false altar, before a false god, and accepting a false way of salvation.

'Come out, from amongst them,' is the clear command of The Lord.

Chapter 11. The Boy Scout/Freemason Connection

Beware of the spiritual dangers lurking beneath the surface of The Scouting Movement.

As you read the above statement perhaps you are saying to yourself 'what ridiculous - over the top nonsense. What could possibly be wrong with the Scouting Movement ??'

Going back to the days when we ourselves, and our children, were in the Cubs/Scouts – Brownies/Guides we would have shared your bewilderment and perhaps even anger at such a statement. However, through hard personal experiences in our adult years as a result of **generational** affiliation to The Masonic Order, The Lord opened our eyes to the truth. Our desire is to share that truth with you. We are not writing with any condemnation whatsoever against Leaders or anyone involved in the Scouting Movement. Needless to say there is much 'good' work for which the Scouting Movement must be commended.

Over the years many could say they made lasting friendships from their Cub/Scout - Brownie/Guide days and many benefits have been acquired through the dedicated efforts of leaders. The Leaders, personally known to us, are worthy of the highest commendation. They are well-meaning men and women, with honourable intentions, genuinely having the best interests of the young people at heart, but, like ourselves, completely unaware of the underlying spiritual dangers of the Movement to which they are dedicated.

Jesus said, Ye shall know the truth and the truth shall make you free. If The Son therefore shall make you free, ye shall be free indeed. John 8 v 32 & 36.

Yes, thankfully, The Lord opened our eyes, (just as He has done with so many of His people) to the subtle connection between The Scouting Movement and The Masonic Order/Women's Eastern Star. See evidence of this on www.ctmin.org/Scouting. (Choosing Truth Ministries). This is an excellent article by an ex-mason who, as a young boy was in the Cub/Scouts. Also included is the testimony of a lady who was a 'Brownie Leader.' (The Testimonies of these two people confirm exactly what The Lord has shown us.) If you don't have access to the internet, but would like a copy of this very informative Document, contact us, we will gladly send you one, free of charge.

Naturally when people speak of Cubs, Scouts, Brownies or Guides they automatically think of ‘good deeds.’ That is one of the common denominators between The Scouting Movement and The Masonic Order. Masons are known internationally for their ‘charitable good works.’ However as stated at the beginning of this book, ‘the good works’ of The Masonic Order are just a veneer on a very rotten package, there is an underlying dark side, to which most people, including Freemasons themselves, are unaware (Page 9). It is exactly the same with the Scouting Movement – there are underlying spiritual dangers which have a huge impact, in adult life, upon all who are involved. Right now, you may want to discard this Book, but *it is our Prayer that The Spirit of God will impress upon you to keep reading, and thus consider this matter seriously.*

Similarities between The Masonic Order and The Scouting Movement.

Cubs/Scouts/Brownies/Guides have their own Oath, Law, Sign, Salute, Handshake etc. Likewise Members of the Masonic Order both male and female – have Oaths, Rituals, Handshakes, Passwords. Clearly The Scouting Movement is the childhood/youth version of Freemasonry/Women’s Eastern Star. Even though the Cub/Scout/Brownie/Guide Promises appear innocent, God forbids **all** oath-taking/promise-making, ritualism and secrecy.

The Bible says...Above all things, my brethren, swear not, neither by Heaven, neither by the earth, neither by any other Oath, but let your yea be yea, and your nay be nay, lest ye fall into condemnation. James 5 v 12.

Children should **not** be ‘Promise Bound’ to **any** Organisation, no matter how appealing it may be. As well as that, they should be taught to give their allegiance **only** to The Lord Jesus Christ, not to anyone else – **not** even to The Queen. Yes, we honour and respect The Queen, but at the end of the day she is just another human being. When your allegiance is given wholly to Jesus, everything else takes its lawful and rightful place. Obviously people have differing views on this, especially concerning the armed Forces etc. so we must leave it to personal conscience. However, writing from Biblical guidelines, The Bible teaches:

Train up a child in the way he should go; and when he is old, he will not depart from it. Proverbs 22 v 6.

...thou shalt not forswear thyself, but shalt perform unto 'The Lord' thine oaths.....Let your communication be yea, yea; nay, nay; for whatsoever is more than these cometh of evil. Matthew 5 v 33 & 37.

*Thou shalt love The Lord thy God with all thine heart, and with all thy soul, and with all thy might. And these words, which I command thee this day, shall be in thine heart: and thou shalt **teach them diligently unto thy children**, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.....Deuteronomy 6 v 6-9.*

**The above Scripture is often referred to as:
'The Deuteronomy Mandate for Parenting.'**

The Great Commission.

As Jesus honouring, Bible-believing Christians, we have the 'Great Commission' to tell others about Him. To extend the hand of friendship to everyone we meet - to radiate Jesus in all we say and do. Accordingly we must train our children to do likewise. Then ultimately, they too, will become good citizens and good workers for HIM – telling everyone they meet, how important it is to repent of their sins and trust Jesus as their Saviour in order to get to Heaven when they die.

We are given this 'Great Commission,' and some young Christian people are very good at sharing 'The Good News' of The Gospel of JESUS with others. Sadly, however, within the Scouting Movement this is strictly forbidden. Being an International Movement embracing Multi-faiths, young Christian people are forbidden to share their Faith with their counterparts – to tell them that Jesus is the ONLY way to eternal life. If you doubt this – ask The Leaders.

Jesus said, I am The way, The Truth and The Life, no man cometh unto The Father but by ME. John 14 v 6.

Go ye into all the world, and preach The Gospel to every creature. He that believeth and is baptised shall be saved: but he that believeth not shall be damned. Mark 16 v 15-16.

Masonic Magazine.

It is very interesting that the front cover of a well known Masonic Magazine - October, 2006 had the picture of a Boy Scout. The story gives details of similarities between Scouting and the Masonic Order. If you would like to read this story – contact us, we will send you a copy. The Title of their Cover Story:-

The Boy Scout/Freemason Connection.

Tomorrows Freemason Today. ??

Just like The Masonic Order, The Scouting Movement – is an International Movement, which embraces young people from every culture and every religious background. The ‘god’ of their religion, to whom they make their promise, could be Mohammad, Buddha, Krishna, etc. So just like the Masons - once you become a Cub/Scout/Brownie/Guide you automatically become **brothers and sisters** with your counterparts from every culture in the world, whether they believe in JESUS or not.

Herein lies the whole crux of the matter.

Jesus Christ is The Only Saviour of the world – outside of genuine Saving Faith in Him – which is ‘True Christianity’ - every other ‘Religion is FALSE.’ Therefore children, who are brought up in the Christian Faith, should not be unequally yoked with those who have exalted ‘another figurehead’ to the central position which rightfully belongs to JESUS.

The Bible says, For there is one God, and one mediator between God and men, the man Christ Jesus; who gave Himself a ransom for all..... 1 Timothy 2 v 5-6.

Neither is there salvation in any other: for there is none other name under Heaven given among men, whereby we must be saved.(JESUS). Acts 4 v 12.

Be ye not unequally yoked with unbelievers:.....come out from among them and be ye separate, saith The Lord..... 2 Corinthians 6 v 14-18.

The Brownies and Mythology.

It is common knowledge that The Story behind The Brownies is woven into mythology based around fairies, elves, etc., plus the Brownie/Guide Promise. This entangles children with a yoke of bondage which is not Scriptural - plus later in life they would see no harm in pledging their allegiance to any one of a number of 'secret societies.' As far as they would be concerned it would be the perfectly natural thing to do - it's just another promise or another oath!!

Let us consider the dangers to our children. Elves and fairies - are not the innocent little beings children are taught they are. According to the writings of those who, **before conversion**, were occultists – they warn that elves, fairies etc. are demonic beings. Satan so often appears as 'an angel of light' transforming his demons into elves, fairies etc.

Many of us adults are guilty of telling our children these fables, or more seriously 'these lies'- encouraging them to believe in fairies. The 'good' elf/fairy coming to do housework when people are asleep (as in the Brownies) or the 'tooth fairy' who leaves money when baby teeth come out etc. Even the lie about 'Santa!' Did you ever consider that 'santa' is an anagram of 'satan?' However, that is another story. (again, if interested contact us for Leaflet.) Although we did these things ignorantly, there needs to be repentance on our part, for the superstition and bondage we have allowed to come into the lives of our children - because it does bring bondage - of that there is no doubt.

Similarities in New Members Ritual

Consider the following Inaugural/Initiation similarities between Brownies/Scouting/Masonic/Witchcraft. (There are even more similarities in these organisations, but for the sake of space we only list the basics. For further information see www.ctmin.org/Scouting .)

Brownie inauguration. First the Brownie is blindfolded, the leader then escorts the little girl around the Brownie ring. She then leads her (still blindfolded) "down the garden path" (interesting statement) to see the owl sitting on the toadstool, and the magic pond – a mirror on the ground. The leader then turns the girl three times while saying "twist me and turn me and show me the elf – I look in the pond and I see....." at which point the blindfold is removed and the Brownie says "myself".

Here the young girl loses her identity, totally unaware, that she is now aligned to the spirit realm as an elf. You might say, 'oh, catch yourself on' – this is nothing more than a bit of innocent fun. We would love to agree, but sadly the facts are there. Webster's: elf (n), a mischievous fairy... mischievous, tricky. Fairy: an imaginary being...with magic powers. To see how this coincides with witchcraft/masonry take note of the following. Needless to say, it is advisable to investigate these things for yourself.

Brownie	Freemasonry	Witchcraft
Blindfolded with necktie	Blindfolded	Blindfolded
Walk in circle around the Brownie ring	Walk in circle around the room	Walk around magic circle
Led down garden path to Toadstool	Led to the altar.	Led to the altar
Rhyme connecting self to spirit world	Takes Masonic Oath	Takes oath to satan
Blindfold removed to see "wisdom" in the form of the owl on the toadstool.	Blindfold removed to see the three great lights of Freemasonry.	Blindfold removed to see the lights of witchcraft/satan.

It is very clear – the roots of all these Organisations – are in Witchcraft. Satan so often appearing as 'an angel of light.' The subtlety, lies and deceit of it all is so evident when brought into God's marvellous light. *'God is Light and in Him is no darkness at all.'* 1 John1 v 5.

Similar Symbolism in The Occult.

We all know The Brownie Leader is referred to as 'Brown Owl.' This *appears* innocent enough - but it is amazing to discover that 'The symbol of the wise old Owl' is so predominant in the occult. The devil is referred to as 'the wise one.' In the occult the symbol of the owl is used as a representation of the devil.

Let us consider further dangers. Say for instance, in later years when your little Brownie/Guide/Cub/Scout is a teenager - away from home - perhaps at University. He/She may be asked to join a group of young people going out for 'a night of celebration?' - they're going to a secluded place, to sit around a fire - to celebrate the The New Solstice - that is, the start of a new Season - Spring/Summer/Autumn/Winter. They're going

to celebrate creation. It all sounds wonderful - singing and dancing around the fire. To your son/daughter this is so familiar - they have sung around the camp fire many times during their scout/guide days.

However, it may go a stage further - They hear mention of 'The wise one' - a ouija board could be produced and so on. As the evening progresses - they get into chanting - this proceeds into some form of ritual. Your unsuspecting young person could be enjoying this 'new thing' - but alas - it could be the start of 'occult dabbling.'

For some young people they would sense 'there is something not right' - they would have a real sense of fear. Inwardly they would be saying 'if I was out of here - never again will I be involved in this weird stuff.' For others it may have the opposite effect - they may be fascinated - just cannot wait for the next get together - until eventually, going from a shallow level to deeper and deeper involvement, they are hooked - caught up in full blown occultism. This is often how it starts - as innocent fun. This is real - it has happened.

True Story.

We have a National Newspaper Story of a young girl where this very thing happened. Her picture in the newspaper - a beautiful, innocent little girl wearing her Brownie uniform. In her teenage years, with friends at college, she got involved (probably innocently) in the horrible accursed occult, but sadly, as a result of her experience in occult practices she and her friend made a pact to sacrifice their lives to satan - so they committed suicide. Her parents, family and friends were totally devastated, as they had absolutely no idea that she and her friend were involved in any of such thing. This is a true story.

Believe me - these things are real, they can, and do happen all the time. The occult is rife everywhere. The devil is busy. He has been busy laying the foundation down through the years, and we have all been caught out with his lies. In every sphere of life, he is meddling, he has his fingers in every pie.

Some may say, 'oh, there's no harm in nature worship, there's no harm in a little 'white' magic.' Please be warned - white magic/black magic, it makes no difference, the devil owns both camps. The devil is 'the father of lies.' he'll do anything to dress up his subtle work, just as long as he can ensnare the unsuspecting. So be very careful. Have nothing whatsoever to do with any Organisation/Movement where there is even

the slightest hint of any 'anti-Biblical practice' or any 'anti-christ' thinking, as The Bible says,

Beloved believe not every spirit, but try (test) the spirits whether they are of God.....1 John 4 v1.

Scout Promise - wording changed in order to embrace all groups eg. Atheists & Humanists.

It is common knowledge that many Scout/Guide Groups are unhappy because 'their Movement' has decided to take 'God' out of The Scout/Guide promise. Many of these Groups plan to continue making their promise to God BUT that means they will no longer be in agreement with the whole ethos of The Scouting Movement.

When the Scouting Movement in general doesn't want any reference made to God/Jesus, why then, would you have any desire to be part of that Organisation. In our opinion this makes it abundantly clear that the underlying 'spirit' of the whole Scouting movement, as with the Masonic Order - is the spirit of anti-christ/witchcraft. Think about this and investigate for yourself – you will find this is a factual statement!!

You may not believe a word of this – you may toss this writing in the rubbish bin - but I leave you with the challenge – start investigating for yourself. Start by asking God in Prayer to show you, in some way, if there is indeed any substance to this information.

Jesus, No.1 in your Life.

In these perilous times, more than anything else, our children need to be grounded in The Word of God, and of course, it is good and necessary for them to have skills and disciplines. Many Church Groups do make provision for young people, not only to be taught The Word of God, but also to train them to take responsibility for everyday living, **but without** the unnecessary addition and baggage of 'mythology,' 'promise-making. etc'

If you have The Lord Jesus Christ as your Saviour and The Holy Bible as your instruction Book – you have absolutely no need of any added baggage. Every Oath Bound/Promise Bound Organisation is – added baggage – which is bondage and a yoke around your neck.

It is always best to travel light. To travel through life's journey with 'The Light of the World' who is The Lord Jesus Christ as your Saviour - is the greatest privilege and greatest treasure that any man/woman, boy/girl could ever have. To have Jesus as your Saviour and Lord of your life, is far, far, more beneficial than being a member of any secular group or Society, no matter how special or 'elite' that organisation may be. The Bible says,

Seek ye first The Kingdom of God and His righteousness; and all other things shall be added unto you. Matthew 6 v 33.

Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw night, when thou shalt say, I have no pleasure in them. Ecclesiastes 12 v 1.

My son,(daughter) if thou wilt receive My Words, and hide My Commandments with thee; so that thou incline thine ear unto wisdom, and apply thine heart to understanding..... Then shall thou understand the fear of The Lord, and find the knowledge of God. For The Lord giveth wisdom: out of His mouth cometh knowledge and understanding. Proverbs 2 v 1-5.

Trust in The Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths. Proverbs 3 v 5.

Time is short – Jesus is coming soon - there is no time for meddling in anything which is unprofitable unto Salvation. There are so many things which appear innocent but have underlying spiritual dangers.

A note to Parents. Your 'No.1' Parenting Duty.

In order to effectively train, instruct and Pray for your Children, it is absolutely vital **for you** to have a genuine 'born again' relationship with The Lord Jesus Christ. Children need to be encouraged in every way possible to Trust Jesus and to accept Him as their Lord and Saviour at a very early age. If you want the very best for your children, which of course you do, then train them up to know JESUS who says,

I am The Way, The Truth and The Life, no man cometh unto The Father but by Me. John14 v 6.

Train up a child in the way he should go; and when he is old, he will not depart from it. Proverbs 22 v 6.

Except a man be 'born again' he cannot see The Kingdom of God. John 3 v 3.

*The Bible says,
Trust in The Lord with all thine
heart, and lean not unto thine
own understanding. In all thy
ways acknowledge Him and
He shall direct thy paths.
Proverbs 3 v 5-6.*

Chapter 12. Conclusion - The Great Mercy Of God

Thankfully, in the midst of all the disturbing and distressing facts you have just read, there is hope, there is Good News. God is loving and long-suffering.

As Psalm 107 v 1 says: *'O give thanks unto the Lord,
for He is good: for His mercy endureth for ever.'*

When you repent – The Lord forgives. No matter what childhood/youth organisation you belonged to; No matter what Secret Society you may belong to now, no matter how many Oaths you may have sworn - no matter how many 'Blood Covenants' you may have made, the curse of these can be broken in and through the Name of Jesus Christ, who paid the price for each one of us, with His own precious blood shed on the cross of Calvary.

You can be rescued and set free from the devil's bondage, you can be brought out of darkness into The Lord's marvellous light and His blessings, but, as already stated, you have to do your part by genuinely repenting of your sins, and acknowledging Jesus Christ as your Saviour.

*'For God so loved the world that He gave His Only Begotten Son, (Jesus) that **whosoever**, believeth in Him should not perish but have everlasting life. For God sent not His Son into the world to condemn the world, but that the world through Him, might be saved.'* John 3 v 16-17

Even though God's wrath may be kindled against us and He has to take 'a dealing' with us for our disobedience, yet that judgment, however severe, could never compare to a lost eternity in the horrors of hell. The Bible tells us that it is not God's will that any should perish but that all should come to repentance. Because He is so merciful, He gives every individual the opportunity to repent and to accept Him as Saviour, but unfortunately so many ignore that call and carry on in their own ways.

As you read this book, if you are not saved, then here is proof that The Lord Jesus is giving you the opportunity to hear the truth and turn to Him, but the decision is up to you. Will you choose this day who you will serve – God or the devil? If you are already a Christian but now realise your need to come out of your Oath-bound organisation, then, all you have to do is, **repent** of your involvement, **resign**, **renounce** all the devilish oaths and rituals in Jesus' name, and ask His forgiveness.

Every individual is different, you may find the need to speak to your minister or some Christian person who will pray with you. The Lord, of course, is your ultimate help, but sometimes it helps to share with someone who has been in a similar situation, and fully understands the different concerns you may have. Above all, the Lord is merciful, He longs for His people to be completely free, to give their allegiance only unto Him. Call upon Him. He will hear and answer your prayer.

We trust this Book has been 'an eye-opener' to you. It has been written prayerfully, under the guidance and inspiration of God's Holy Spirit. It is written with sincere love and compassion for those who are blinded to the truth, just as we were until the Lord Jesus Christ opened our eyes.

Praise God, He brought us out of darkness into His marvellous light. We can testify to His Salvation, Healing and Deliverance. Today we are privileged to serve Him in full time Ministry. It is all for His Glory and the extension of His Kingdom, that we reach out with His love to the multitudes who are still in darkness, that they too, may experience full and free salvation through the precious shed blood of JESUS CHRIST.

Please note. Even if you are *not* a member of any Oath-bound Organisation yourself - if you have a Father, a Grandfather or a Great-Grandfather who is, or was, then you can still be affected by 'the curse passed down.' What do you do?

Again your answer can be found only in trusting the Lord Jesus Christ. Turn to Him in true and genuine repentance of your own sins and the sins of your forefathers, just as Daniel and Nehemiah did. (Read Daniel 9 from verse 4 and Nehemiah 1 from verse 4.) Renounce the devil and all his works. Forgive those, who unknowingly, left you such a horrible legacy. Ask Jesus to come into your heart and life as your Saviour. Ask Him to break every curse that is upon you and your family. As already stated, this is the only way to complete freedom and deliverance from 'satanic bondage.'

Jesus said, 'Him that cometh to me, I will in no wise cast out.'
John 6 v 37.

'Come now, let us reason together, saith the Lord; though your sins be as scarlet, they shall be as white as snow; though they be red like crimson they shall be as wool.' Isaiah 1 v 18.

If you genuinely want to know the Lord Jesus Christ as your Saviour. Simply pray sincerely from your heart. The prayer on Page 67 may be used as a guideline.

Now please do remember, that unless there is genuine repentance of sins from your heart, what is known as the conviction of the Holy Spirit, this prayer will not save you. So be very sure of what you are doing.

Coming to Jesus for Salvation means crying from your heart because of the heavy burden of your sins, and being determined to lead a new life with Him. If this is the case, then not only you, but others will see that change in your life. There will be evidence of the 'new birth.'

'If any man be in Christ, he is a new creature, old things have passed away, behold all things become new.'

2 Corinthians 5 v 17.

Spiritual House-Cleaning!

Warning! It is **absolutely vital** to clean out your home from **everything** associated with Secrecy and bondage. Claim The Lord's liberty in your life. **BURN** all regalia, memorabilia, books etc. Don't allow the devil even the smallest foothold by holding on to **any** ancestral accursed item – no matter how valuable it may be. Never, never, pass on to anyone else that which has occultic association. Have a great big bonfire – as we did.

We burnt everything associated with Freemasonry, Orangeism etc. including some very expensive items – and The Lord really blessed us. What He has done for us – He will do for you. Don't be afraid to seek Prayer and help from other Christian Believers. Let The Lord minister to you through others who have been in a similar situation but are now *free*. Don't hesitate – be free *today*.

*'And many that believed came, and confessed, and shewed their deeds. Many of them also which used curious arts, brought their books together, and burned them before all men and they counted the price of them, and found it fifty thousand pieces of silver. **So mightily grew The Word of God and prevailed.**'*
Acts 19 v 18-20.

If after reading this Book, you genuinely desire to know The Lord Jesus Christ as your Saviour - then please see Prayer of Repentance on the following page - which may be helpful to you. God Bless you.

***'Thy Word is a lamp unto my feet,
and a light unto my path.'***

Psalm 119 v 105.

'Seek ye The Lord while He may be found, call ye upon Him while He is near. Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto The Lord, and He will have mercy upon him; and to our God, for He will abundantly pardon.'

Isaiah 55 v 6-7.

Prayer of Repentance

Dear Lord Jesus,

I *acknowledge*, I am a sinner, I need your help. I *confess* before you my involvement in..... I *renounce* it now and earnestly ask you to please break every curse that is upon me and upon my family as a result of pagan Oaths and Rituals . I *genuinely repent* of all my sins and ask your *forgiveness*. Will you please give me a fresh start to follow in your ways from this day? You shed your blood and died on the cross so that I might be *saved*, so from this moment, I trust you as my Lord and Saviour. Please give me the courage to write my letter of resignation to theOrder, stating that I can no longer be part of that deceitful Organisation, that my trust is now fully in You. I want to come out of the land of bondage into Your liberty and freedom. I want to turn from lies and darkness into Your truth and wonderful light.

Thank you Lord Jesus.

Amen.

If you have made your decision to become a follower of the Lord Jesus Christ, may you be truly blessed in your new life with Him. Don't be afraid to confess His name and your Salvation before others. In fact it is essential to tell someone, your Minister, or some genuine 'Born-Again,' believer who will help you in your new-found faith.

'If thou shalt confess with thy mouth The Lord Jesus and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto Salvation.' Romans 10 v 9-10.

Pray and read your Bible every day. Make sure your Bible is the King James Authorised Version, as all other versions are a distortion of the truth with many key words and verses omitted.

Get involved in a good Bible-believing Church or Fellowship. Make sure you attend the Prayer Meetings, this is of the utmost importance.

If we can be of any help to you, please do not hesitate to get in touch, in complete confidence.

Masonic Symbols

Central to pagan religion is the belief that the world is governed by a 'god and goddess called Osiris and Isis.' These two pagan deities - male and female - are symbolised as - the phallus and the cteis - these are alternative names for the male and female reproductive organs. The phallus and cteis are represented by *various forms of symbols*. The sexual union of the male and female, referred to as the union of the phallus and the cteis - is more than well represented in Masonic Symbolism.

As stated by the late Albert Pike, Supreme Pontiff of Freemasonry - Members of the Lower Degrees are *misled* regarding the meaning of Masonic Symbols. For example - 'G' is supposed to mean God or The Great Architect of the Universe but as the Member progresses up the Masonic Ladder - 'G' and all the other symbols take on different meanings until they come to the very top level - when the *true meanings* are revealed. (See Chapter 6.)

Listed here are just a few '*Masonic symbols*' with their *true meaning as known to The Elect*.

The 'G' in Freemasonry.

Stands for the word 'Generative' meaning the 'generative principle of life.' This is just another name for the male sex organ.

Square & Compass.

The Square represents the *female*.

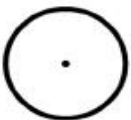

The Compass represents the *male*.

The Square & Compass together represent the sexual union of man and woman.

The Square & Compass with 'G' in the middle

The meaning is so vulgar - sufficient to say, in part, the 'G' represents 'The generative principle.' In the middle of the Square & Compass, it is a code for the actual sexual union of man and woman.

Point within the circle.

The point within the circle has the very same sexual meaning as the square and compass, only using a different symbol. The circle representing the female - the point representing the male.

The Obelisk or Phallus Symbol - Originally known as the symbol of Nimrod (later known as Baal.) The phallic symbol is widely used in Freemasonry. The Obelisk or Phallus are yet *again* alternative names for 'The Male Generative organ.' The most famous of all publicly placed masonic symbols is The Washington Monument – which is an obelisk built within a Circle – representative of the point within the circle - once again symbolic of the sexual union between man and woman.

The Masonic Apron.

Adam & Eve wore Aprons made of fig leaves – to hide their nakedness. The Masonic Apron has the same symbolic meaning. It is for the covering of the male organ – the 'generative principle.' Man loveth darkness rather than light because his deeds are evil.

The All-seeing Eye – sometimes called the Eye of Horus.

Although most people believe that 'the all-seeing eye' of Freemasonry represents God, in actual fact the opposite it is case. It is 'the Eye of Lucifer.' Pyramids have been used in various ways, from the Pharaohs to modern occultists and Freemasons. The pyramid symbolises satanic energy or power. The eye within the triangle symbolises the belief that Lucifer brings enlightenment.

The Hexagram – or Six-pointed star

The six-pointed star with a circle round it - is known as a Hexagram. It is one of the most potent symbols used in working with the powers of darkness. 'Hex' means to cast a spell. The Hexagram also has a sexual connotation.

The Pentagram – or five-pointed Star.

The five-pointed star is *always* symbolic of satan. With a circle around it - it is an occult symbol called 'The Pentagram.' When the pentagram is placed with *one point upwards* it represents 'witchcraft' or the 'occultic' five points of fellowship of the Masonic resurrection rite - foot to foot - knee to knee - breast to breast - mouth to ear - hand to back. The five points of fellowship are not only acknowledged in Freemasonry but also in all Occult and Mormon initiations.

The Inverted Pentagram.

When the five-pointed star is placed with the *two points upward* and the single point downwards - it is then called 'The Inverted Pentagram.' This is known universally as a satanic symbol. It is one of the most powerful symbols used in the ritualistic worship of satan. No matter what way the inverted pentagram is used - it symbolises evil.

Baphomet.

The 'Symbol of Baphomet,' or 'the Goat of Mendes' - is the inverted five-pointed star – fitting with perfection the goat's head - representing the devil himself. This symbol is purely evil, being one of the highest symbols of satanic ritualism.

Baphomet Cross.

This is known as the cross of the slain and comes from the Egyptian pagan god Osiris. Although worn by 33rd Degree Masons, it is also a very popular symbol of satanism. It confirms the close association of Freemasonry/Satanism. It is common knowledge that the late Albert Pike, who was the highest authority of Freemasonry, was also the Head of The Palladist, another Secret Society which openly worshipped Lucifer. Their aim was to destroy Christianity, replacing it with 'lucifer worship.' Pike was also a founder member of the Ku Klux Klan. Virtually all KKK members are also Freemasons.

Order of the Eastern Star.

The inverted pentagram is the Symbol of The Eastern Star – Women's Masonry. Although they believe it is 'the Star of Bethlehem' they are misled. It is the devil's symbol of evil. In The Eastern Star Lodge – the floor is laid out as an inverted pentagram. The Masonic altar stands in the middle of the pentagram with the 'Volume of Sacred Law' placed on top. Within the inner pentagon are five letters meaning 'Fair Among Thousands Altogether Lovely.' It is interesting that these letters put together spell F.A.T.A.L.

Double-headed Eagle.

Represents - as the Masonic Order boldly proclaims in the Higher Degrees - the equality of lucifer with God - but at the top of the Masonic ladder – *all* 'the Elect' acknowledge that '*lucifer is their god.*'

The Shriner's.

Shriners are famous for their Hospitals and Circuses. However, their symbol of the crescent moon with the star is symbolic of Islam. Islam is known as 'the religion of the sword.' The sword is the sword of Allah. When a man becomes a Shriner, he places his hand on the Koran and swears an oath to Allah!! How can any man who professes to know Jesus Christ as Saviour do that ??

ACKNOWLEDGEMENT.

We acknowledge with thanks, the artist/persons whose drawings/symbols have been used in this book. Although **all** these symbols/drawings have been used extensively in other publications, we did try to locate the original source. Unfortunately we were unsuccessful. However, we trust that with God's grace the person/persons of the original work will understand and be blessed, knowing that their work is being used for the glory of God and the furtherance of His Kingdom. It is our Prayer that as a result of their efforts, many will be brought out of darkness into The Lord's marvellous light.
